### A SUMMARY OF HOUSE BILL 4048 AS INTRODUCED 2-2-93

Under the Seal of Quality Act, the Commission of Agriculture must establish quality standards for agricultural products that are grown, packed, and processed in Michigan, and which bear the official "Michigan Seal of Quality." House Bill 4048 would extend the quality assurance provisions of the act to include seafood products. (Under the bill, "seafood product" would mean fish or other seafood found in Lake Michigan, Lake Huron, Lake Superior, or Lake Erie, or in a connecting waterway.)
