A SUMMARY OF HOUSE BILL 4120 AS INTRODUCED 2-2-93

The bill would amend the State Construction Code Act to mandate statewide application of state regulations on the type and number of plumbing fixtures required in assembly buildings to ensure equal speed of access to restroom facilities for men and women. An "assembly building" would include a theater; sports arena; stadium; food service establishment, with or without a liquor license; exhibition hall; library; recreation center; passenger terminal; or outdoor assembly structure, which would include an outdoor grandstand, coliseum, stadium, and amusement park structure, and fair or carnival structure.
