Committee: Agriculture and Forestry

Complete to 3-26-93

### A SUMMARY OF HOUSE BILL 4157 AS INTRODUCED 2-4-93

The Soil Conservation Districts Law (Public Act 297 of 1937) allows soil conservation districts to sell to landowners in the district agricultural and engineering machinery and equipment, fertilizer, seeds, and seedlings. The bill would amend the act to allow soil conservation districts to sell these things to other soil districts as well as to landowners.
