USE OF NON-STATE FACILITIES

House Bill 4179

Sponsor: Rep. Joseph Young, Jr.

Committee: State Affairs

Complete to 3-2-93

A SUMMARY OF HOUSE BILL 4179 AS INTRODUCED 2-9-93

Currently, under the Management and Budget Act (Public Act 431 of 1984), unless the chief executive officer of a state agency authorizes in writing a different location, meetings of state agencies must be held in facilities owned, leased, or operated by a local unit of government, the state, or the federal government; or a state supported institution, college, or university.

The bill would amend the act to allow a meeting of a state agency to be held in any facility.
