A SUMMARY OF HOUSE BILL 4184 AS INTRODUCED 2-9-93

Public Act 158 of 1977 conveyed property under the jurisdiction of the Department of Mental Health to Western Michigan University and said the university could use the property "solely for public park, recreation, or open space purposes, except that the legislature, by statute, may authorize . . . some other public purpose." House Bill 4184 would specify that the property could be used "for the public purpose of a research or business park."
