SUMMER PROPERTY TAXES

House Bill 4214

Sponsor: Rep. Timothy L. Walberg

Committee: Education

Complete to 4-26-93

A SUMMARY OF HOUSE BILL 4214 AS INTRODUCED 2-11-93

The School Code allows local and intermediate school districts, by resolution of the school board, to impose a summer property tax levy. For each year that the resolution applies, "the school district or intermediate school district shall request" the appropriate city or township to collect the summer levy. House Bill 4214 would amend the code to specify that the superintendent of the district would make the request, and that no formal action of the district would be required for the superintendent's request to be effective.
