A SUMMARY OF HOUSE BILL 4264 AS INTRODUCED 2-17-93

The bill would amend Public Act 246 of 1982, which conveyed for \$1 approximately 187 acres of state land in York Township to Washtenaw County. The bill would authorize the state administrative board to enter into an agreement with York Township, allowing the township to sell a portion of the property for its fair market value. The proceeds of the sale would be put in a fund to be used only for maintaining the remaining portion of the property for park and recreational purposes. The remaining portion of property would have to be used for park and recreational purposes only, available to the general public without regard to county of residence.
