PORT SANILAC CONVEYANCES

House Bill 4376

Sponsor: Rep. Kim Rhead

Committee: State Affairs

Complete to 3-26-93

A SUMMARY OF HOUSE BILL 4376 AS INTRODUCED 2-25-93

The bill would convey to the village of Port Sanilac for one dollar two parcels of state-owned land next to the Port Sanilac Harbor of Refuge (a small craft harbor in the village of Port Sanilac) currently administered by the Department of Natural Resources. The property (consisting of not quite half of an acre) would have to be used only for a public harbor open to all members of the public on the same terms, fees, and conditions. The state would retain the mineral rights, and title to the land would revert to the state if the land were used for any other purpose.
