## **DRAIN BOARDS: ADD CEOS**

**House Bill 4503**

**Sponsor: Rep. William R. Bryant, Jr.**

**Committee: Agriculture & Forestry**

**Complete to 3-6-94**

### **A SUMMARY OF HOUSE BILL 4503 AS INTRODUCED 3-17-93**

Currently, under the Drain Code, drainage boards consist of the director of the Michigan Department of Agriculture (MDA) and the drain commissioner of each county involved in the project. The bill would amend the Drain Code (Public Act 40 of 1956) to require that the chief executive officer of each public corporation involved in a drain project be included on the drainage board. The bill also would allow drainage boards (including augmented drainage boards) to pay each CEO serving on a drainage board up to \$25 a day in compensation, as well as pay for the CEO's mileage and expenses.
