A SUMMARY OF HOUSE BILL 4561 AS INTRODUCED 3-30-93

The bill would amend the Revised Probate Code to include a child conceived as a result of sexual assault among the heirs of the man who committed the assault, if the man failed to provide for the child in his will. The child would have the same share of the estate as if the man had died without a will. The child would be an heir whether or not the mother was married to someone else at the time the assault was committed.
