INTERSTATE COMM. ACTIVITIES

House Bill 5022

Sponsor: Rep. Kirk A. Profit

Committee: Business & Finance

Complete to 10-5-93

A SUMMARY OF HOUSE BILL 5022 AS INTRODUCED 8-31-93

The Occupational Code currently prohibits someone from operating a collection agency or engaging in collection activities within the state without first applying for and receiving from the Department of Commerce a license to do so. The bill would exempt from this requirement persons whose collection activities in the state were limited to "interstate communications." Such persons, however, would still be subject to other statutory provisions regulating collection practices.
