ROAD COMMISSIONERS: BENEFITS

House Bill 5080

Sponsor: Rep. Walter J. DeLange

Committee: Local Government

Complete to 1-11-94

A SUMMARY OF HOUSE BILL 5080 AS INTRODUCED 10-7-93

The county road law provides for the election of county road commissioners and requires a county board of commissioners to establish the compensation of road commissioners for their official duties. The bill would amend the act to allow a county board of commissioners to authorize road commissioners to participate in an insurance or retirement program established for county road commission employees under the act. The cost to participate in such programs would have to be paid by a county road commission from county road funds, and any such authorization that was granted by a county board of commissioners before the bill's effective date would be valid.
