OFFICIALS' DRIVING RECORDS

House Bill 5151

Sponsor: Rep. James McNutt

Committee: Transportation

Complete to 12-13-93

A SUMMARY OF HOUSE BILL 5151 AS INTRODUCED 10-19-93

The Michigan Vehicle Code currently prohibits the Department of State from releasing information relating to an accident on a person's driving record to a nongovernmental agency unless the person has been convicted of or determined to be responsible for a traffic violation in connection with the accident. The bill would amend the act to prohibit the department from releasing information about an accident that was on the record of a police officer, fire fighter or someone authorized to operate an ambulance or other emergency vehicle to a nongovernmental agency if the accident in question occurred while the official was operating the emergency vehicle in the course of his or her work.
