**STATE OF MICHIGAN
87TH LEGISLATURE
REGULAR SESSION OF 1993**

Introduced by Senator Cisky

ENROLLED SENATE BILL No. 72

AN ACT to amend section 2 of Act No. 329 of the Public Acts of 1966, entitled as amended "An act to prevent the discharge of untreated or inadequately treated sewage or other liquid wastes into any waters of the state; to provide financial assistance to local agencies for the construction of treatment works to prevent that discharge; to prescribe fees; and to abate and prevent pollution of the waters in and adjoining the state; and to implement Act No. 76 of the Public Acts of 1968," being section 323.112 of the Michigan Compiled Laws.

The People of the State of Michigan enact:

Section 1. Section 2 of Act No. 329 of the Public Acts of 1966, being section 323.112 of the Michigan Compiled Laws, is amended to read as follows:

Sec. 2. The unobligated proceeds of sale of \$285,000,000.00 of the bonds authorized by Act No. 76 of the Public Acts of 1968, being sections 323.371 to 323.382 of the Michigan Compiled Laws, or any series of those bonds, and any premiums and accrued interest received on the delivery of those bonds, and any transfers from other accounts, shall be deposited with the state treasurer in the state water pollution control revolving fund established pursuant to section 16a of the shared credit rating act, Act No. 227 of the Public Acts of 1985, being section 141.1066a of the Michigan Compiled Laws, to be used to provide assistance for sewage treatment works projects, including refinancing of sewage treatment works projects. On October 6, 1972, the unobligated proceeds of the sale of \$50,000,000.00 of the bonds authorized by Act No. 76 of the Public Acts of 1968 and deposited or authorized to be deposited by section 4 of Act No. 159 of the Public Acts of 1969, as amended, being section 323.404 of the Michigan Compiled Laws, with the state treasurer in the state sewer construction fund shall be transferred to or deposited in the water pollution control fund. Further application for collecting sewer grants shall be taken by the water resources commission only after the legislature adopts a collecting sewer program consistent with federal law. Disbursements from the water pollution control fund shall be made only for specific eligible treatment works projects approved, as provided in section 16, by the appropriation committees and by the legislature by concurrent resolution adopted by a roll call vote of a majority of the members elected to and serving in each house. A concurrent resolution shall include all or part of the projects on the priority list of eligible projects reported to the legislature by the water resources commission as provided in section 16. However, if the resolution includes only part of the projects, the resolution shall include the entire part containing all projects on the list having priorities higher than those of projects not included in the resolution and shall not include projects lower in the order of priority. The income from temporary investments of the proceeds shall be deposited in the state water pollution control revolving fund established pursuant to section 16a of Act No. 227 of the Public Acts of 1985, to be used to provide assistance for sewage treatment works projects, including refinancing of sewage treatment works projects.

This act is ordered to take immediate effect.

Secretary of the Senate.

Co-Clerk of the House of Representatives.
