9	TOTAL	\$	2,682,600

10 (2) When it appears to the principal executive officer of each
11 department that state spending to local units of government will be
12 less than the amount that was projected to be expended for any
13 quarter, the principal executive officer shall immediately give notice
14 of the approximate shortfall to the department of management and
15 budget, the senate and house appropriations committees, and the senate
16 and house fiscal agencies.

17 Sec. 202. The appropriations made and the expenditures authorized
18 under this act and the departments, agencies, commissions, boards,
