House Bill 4158

Sponsor: Rep. Sandra Hill

Committee: Education

Complete to 2-3-95

A SUMMARY OF HOUSE BILL 4158 AS INTRODUCED 1-17-95

Under the bill, which would amend the School Code, a school official who found a dangerous weapon in the possession of a student could confiscate the weapon or else would have to request the local law enforcement agency to respond as soon as possible and confiscate the weapon. If a school official did confiscate a weapon, he or she would have to give it to a law enforcement agency and could not release the weapon to another person, including its legal owner. A school official who complied with the bill's provisions in good faith would not be civilly or criminally liable for that compliance.
