House Bill 4192

**Sponsor: Rep. Robert Brackenridge
Committee: Health Policy**

Complete to 9-6-95

A SUMMARY OF HOUSE BILL 4192 AS INTRODUCED 1-30-95

Currently, the form and content of vital records and certificates are prescribed by the Department of Public Health and must conform as nearly as possible to recognized national standardized forms. House Bill 4192 would amend the Public Health Code to require a certificate of death to also include a space for a deceased's Michigan driver or chauffeur's license or state identification number, if any.
