Committee: Education

A SUMMARY OF HOUSE BILL 4240 AS INTRODUCED 1-31-95

Public Act 335 of 1993 (House Bill 5121) made a great many amendments to the School Code, including requiring school districts to ensure that decisions made at the building level are made using site-based decision-making involving teachers, school administrators, parents, pupils, and others in the school community. House Bill 4240 would repeal that requirement.
