A SUMMARY OF HOUSE BILL 5079 AS INTRODUCED 9-20-95

The Michigan Campaign Finance Act (Public Act 388 of 1976) specifies schedules for the filing of campaign statements. Currently, the act requires postelection campaign statements to be filed not later than the thirtieth day following the election, with the closing date for these postelection statements being the twentieth day following the election. The bill would revise this provision of the act to require that for the general November election, the postelection campaign statement would have to be filed not later than the January 10th immediately following the election; the closing date for general November election postelection statements would be the December 31 immediately following the election.
