Senate Bill 167 (Substitute S-2 as reported)
Sponsor: Senator Dale L. Shugars
Committee: Judiciary

CONTENT

The bill would amend the Department of Corrections (DOC) law to specify that, beginning on the bill's effective date, the DOC could not employ or appoint a person who had been convicted of a felony or was subject to pending felony charges.

If records available to the DOC showed that an applicant for employment or appointment had been convicted of a felony or was subject to pending felony charges, the DOC would have to inform the applicant of that fact and of his or her resulting ineligibility for employment or appointment. At the applicant's request, the DOC would have to allow him or her to review the relevant portion of the records. If the applicant disputed the records' accuracy, the DOC would have to allow him or her a reasonable period of time to contact the responsible agency or agencies to correct the alleged inaccuracies. If the records, as corrected, would remove the applicant's ineligibility, the DOC would have to allow him or her to reapply for employment or appointment.

The bill would not apply to a person employed by or appointed to a position in the DOC before the bill's effective date.
