Senate Bill 387
Sponsor: Senator Loren Bennett
Committee: Natural Resources and Environmental Affairs

Date Completed: 3-16-95

SUMMARY OF SENATE BILL 387 as introduced 3-14-95:

The bill would amend the Natural Resources and Environmental Protection Act to specify that corrective action measures conducted pursuant to Part 213 of the Act, which deals with leaking underground storage tanks, would satisfy remedial obligations under Part 31 of the Act, which deals with water resources protection.

Proposed MCL 324.3106a

Legislative Analyst: P. Affholter

FISCAL IMPACT

The bill would have an indeterminate fiscal impact, depending on the passage of amendments to Part 213 (see fiscal impact for Senate Bill 386).

Fiscal Analyst: G. Cutler
