Senate Bill 394 (as reported without amendment)  
Sponsor: Senator Joanne G. Emmons  
Committee: Finance

### **CONTENT**

The bill would amend Public Act 194 of 1947, which provides for the administration of the estates of deceased persons in certain cases, to replace references to the State Board of Escheats with references to the State Treasurer.

The bill is tie-barred to Senate Bill 390, which would repeal the Michigan Code of Escheats and create the "Uniform Unclaimed Property Act".

### **FISCAL IMPACT**

Senate Bills 390 through 396 would have minimal fiscal impact on State and local governments. By more efficiently handling abandoned or unclaimed property, costs would be reduced. These bills would reduce State payments, by an annual amount of approximately \$900,000, to counties and to probate courts, which would no longer be involved with escheat lawsuits. By eliminating the local unit's responsibilities with abandoned or unclaimed property, the bills would require the Department of Treasury to take on those duties and incur minimal costs.

Minor changes in the amount of time certain categories of property are considered abandoned and escheated to the State would have minimal impact on the escheat revenue. Many entities affected by escheat laws presently follow the smaller time periods these bills would implement.
