Senate Bill 744

Sponsor: Senator Loren Bennett

Committee: Human Resources, Labor and Veterans Affairs

Date Completed: 11-29-95

SUMMARY OF SENATE BILL 744 as introduced 11-1-95:

The bill would amend the Natural Resources and Environmental Protection Act to allow the construction of a building that included a basement in a floodplain that had been properly filled, under permit, if the footings for the basement were set entirely in "virgin soil". "Virgin soil" would mean soil other than soil used to fill a floodplain.
