House Bill 4571

Sponsor: Representative William Bobier

House Committee: Health Policy

Senate Committee: Health Policy and Senior Citizens

Date Completed: 5-25-95

SUMMARY OF HOUSE BILL 4571 as passed by the House:

The bill would amend the Public Health Code to provide that a "commercial fishing guide services would not be considered a food service establishment, under certain conditions (and therefore would be exempt from the Code's licensing, sanitation, and inspection requirements placed on food service establishments).

Under the bill, a food service establishment would not include a commercial fishing guide service that served lunch to a party of not more than 12 clients on or adjacent to a body of water, river, or stream while pursuing, capturing, catching, killing, taking, or attempting to take fish. A commercial fishing guide service would be a service provided for a fee or other consideration of value, regardless of whether the fee or consideration was paid directly or indirectly, to assist another person in pursuing or catching fish.
