House Bill 5386 (Substitute S-1 as reported)  
Sponsor: Representative Michelle McManus  
House Committee: Human Services  
Senate Committee: Families, Mental Health and Human Services

**CONTENT**

The bill would amend the Administrative Procedures Act to specify that the Act's requirement that agencies give licensees subject to license sanctions the opportunity to show compliance with all lawful requirements of the license before the beginning of proceedings for suspension, revocation or other license sanctions would apply except as otherwise provided in the Support and Parenting Time Enforcement Act and the proposed Regulated Occupation Support Enforcement Act.

The bill would take effect January 1, 1997.

The bill is tie-barred to Senate Bill 881 and to House Bills 5384, 5385, 5387, 5388, and 5389, which would amend various acts to provide for the suspension of an occupational license or a driver's license for failure to pay a support arrearage or to comply with a support or parenting time order. The bill also is tie-barred to House Bill 5385, which would create the "Regulated Occupation Support Enforcement Act" to require an occupational regulatory agency to comply with a license suspension order.
