House Bill 5851 (as passed by the House)
Sponsor: Representative Terry London
House Committee: Transportation
Senate Committee: Transportation and Tourism

Date Completed: 9-25-96

CONTENT

The bill would amend the Motor Bus Transportation Act to permit an applicant for a certificate of authority or renewal of a certificate to provide evidence of a current year motor bus inspection by a state, district, or province that had standards comparable to the Federal motor carrier safety periodic inspection standards, instead of an inspection by the Michigan Department of Transportation.

The Department would have to issue a list of the states, districts, or provinces that had standards comparable to standards promulgated under Federal motor carrier safety regulations.
