FIRE MARSHAL

Fire fighters training council.....		273,000
Fire investigation training for locals.....		51,500
Total	\$	14,510,700

(2) When it appears to the director of the department that state spending to local units of government will be less than the amount that was projected to be expended for any quarter, the director shall immediately give notice of the approximate shortfall to the department of management and budget, the senate and house appropriations committees, and the senate and house fiscal agencies.

Sec. 202. The appropriations made and the expenditures authorized under this act and the departments, agencies, commissions, boards, offices, and programs for which an appropriation is made under this act are subject to the management and budget act, Act No. 431 of the Public Acts of 1984, being sections 18.1101 to 18.1594 of the Michigan Compiled Laws.

Sec. 203. The amounts appropriated from 1 fund to another fund shall be authorized pursuant to annual appropriations within the department responsible for each fund's appropriations.

Sec. 204. The department of civil service shall bill departments or agencies at the end of the first fiscal quarter for the 1% charges authorized by section 5 of article XI of the state constitution of 1963. Payments shall be made for the total amount of the billing by the end of the second fiscal quarter.

Sec. 205. As used in this act:

- (a) "AFIS" means the automated fingerprint identification system.
- (b) "DAG" means the United States department of agriculture.
- (c) "DAG-FNS" means the DAG food and nutrition service.
- (d) "DARE" means drug abuse resistance education.
- (e) "Department" means the department of state police.
- (f) "DNA" means deoxyribonucleic acid.
- (g) "DOJ" means the United States department of justice.
- (h) "DOJ-BJS" means the United States DOJ bureau of justice statistics.
- (i) "DOJ-DEA" means the DOJ drug enforcement administration.
- (j) "DOJ-OJP" means the DOJ office of justice programs.
- (k) "DOL" means the United States department of labor.
- (l) "DOT" means the United States department of transportation.
- (m) "DOT-RSPA" means the DOT research and special programs administration.
- (n) "DOT-NHTSA" means DOT-national highway traffic safety administration.
- (o) "EPA" means environmental protection agency.
- (p) "EPA-OSWER" means the EPA office of solid waste and emergency response.
- (q) "FEMA" means the federal emergency management agency.
- (r) "FEMA-PTED" means the FEMA preparedness, training, and exercises directorate.
- (s) "FTE" means full-time equated.
- (t) "HHS" means the United States department of health and human services.
- (u) "HHS-HCFA" means the HHS health care financing administration.
- (v) "IDG" means interdepartmental grant.
- (w) "IDT" means intradepartmental transfer.
- (x) "LEIN" means law enforcement information network.

(y) "MLEOTC" means the Michigan law enforcement officers training council.

(z) "MUSTFA" means Michigan underground storage tank financial assurance fund.

(aa) "UST" means underground storage tank.

Sec. 206. It is the intent of the legislature that personnel of the department who request and are eligible for reimbursement of expenses related to the operation of the department be reimbursed from the appropriations provided in section 101 within 30 days after submitting a request, or the eligible personnel shall be paid an additional amount equal to 0.75% of the payment due. The department shall pay an additional amount equal to 0.75% of the payment due for the first month and each succeeding month or portion of a month the payment remains past due.

Sec. 207. To avoid the overexpenditure of money appropriated under this act, the department beginning June 1, 1996 shall report quarterly to the state police subcommittees of the senate and house appropriations committees the current status of the accounts set forth in section 101 on forms prescribed by the senate and house fiscal agencies and the department.

Sec. 208. (1) Beginning October 1, 1995, there is a hiring freeze imposed on the state classified civil service. State departments and agencies are prohibited from hiring any new full-time state classified civil service employees and prohibited from filling any vacant state classified civil service positions. This hiring freeze does not apply to internal transfers from 1 position to another within a department or to positions that are funded 80% or more from federal or restricted money.

(2) The director of the department of management and budget shall grant exceptions to this hiring freeze when the director of the department of management and budget believes that the hiring freeze will result in rendering a state department or agency unable to deliver basic services. The director of the department of management and budget shall report by the fifteenth of each month to the chairpersons of the senate and house appropriations committees the number of exceptions to the hiring freeze approved during the previous month and the reasons to justify the exception.

Sec. 209. Money appropriated in section 101 shall not be used for the purchase of foreign goods or services when competitively priced and of comparable quality American goods or services are available. By May 1, 1996, the department of state police shall submit a report to the department of management and budget, the speaker and minority leader of the house of representatives, the majority and minority leaders of the senate, and the chairpersons of the house and senate appropriations committees on efforts to comply with this section. This section does not apply to a purchase agreement entered into before the effective date of this act.

Sec. 210. Of the general fund/general purpose revenue appropriated in section 101, \$22,577,400.00 represents a state spending increase over the amount provided to the department of state police for the fiscal year ending September 30, 1995, and may be used to meet state match requirements of programs contained in the federal violent crime control and law enforcement act of 1994, or successor grant programs, so that any additional federal money received supplements funding provided to the department of state police in section 101.

Sec. 211. None of the funds appropriated in section 101 in the line items identified as "federal contingency funds", "state restricted contingency funds", "local contingency funds", and "private contingency funds" are available for expenditure until they have been transferred to another line item in this act as provided in section 393(2) of the management and budget act, Act No. 431 of the Public Acts of 1984, being section 18.1393 of the Michigan Compiled Laws.

Sec. 212. A program for which money is appropriated under section 101 shall utilize each eligibility requirement and benefit level established for the program that was in effect on May 1, 1995, unless the legislature has enacted a modification.

Sec. 213. Federal funds that become available after the effective date of this act and that are intended to replace federal money that had previously funded a program for which money is appropriated under section 101 shall be expended to continue that program. The continuation of a program and its funding under this section may occur by a transfer that complies with section 393 of the management and budget act, Act No. 431 of the Public Acts of 1984, being section 18.1393 of the Michigan Compiled Laws.

Sec. 214. If after the effective date of this act the federal government appropriates money to this state that is not designated for deposit into a specified fund or designated to implement a specified state or federal program, the money shall be deposited in the state's general fund. All federal money deposited into the general fund under this section shall be appropriated from the state treasury in accordance with section 17 of article IX of the state constitution of 1963.

DEPARTMENTWIDE APPROPRIATIONS

Sec. 301. Money shall not be expended by the department to hire or train an applicant for employment by the department unless that applicant agrees in writing to submit to a controlled substance test that is supervised by the department.

HIGHWAY SAFETY PLANNING

Sec. 401. In addition to the money appropriated in section 101, the department may receive and expend state restricted funds for the support of the secondary road patrol and traffic accident enhanced grants program in accordance with section 629e of the Michigan vehicle code, Act No. 300 of the Public Acts of 1949, being section 257.629e of the Michigan Compiled Laws.

CRIMINAL JUSTICE DATA CENTER

Sec. 501. In addition to the money appropriated in section 101, the department may receive money from local units of government to expand or upgrade the LEIN, if the money does not require state money for matching purposes, or for continuing programs if the money from local units of government becomes unavailable.

Sec. 502. The money appropriated in section 101 for computer services shall be funded by LEIN user fees sufficient to pay 1/3 of the service and contract maintenance costs.

Sec. 503. For the fiscal year ending September 30, 1996, the department, in conjunction with the departments of social services, transportation, secretary of state, and management and budget, shall determine a cost of maintaining the traffic accident records program based on each department's respective use.

Sec. 504. (1) The money appropriated in section 101 includes money for the purchase of AFIS equipment.

(2) Money expended by the department for the purchase of AFIS equipment for local consortiums shall be on a per capita basis.

(3) State money shall not be used in the operation or maintenance of AFIS equipment for local consortiums.

(4) In addition to money appropriated under section 101, the department may receive and expend money from local units of government as provided in section 7 of the A.F.I.S. policy council act, Act No. 307 of the Public Acts of 1988, being section 28.157 of the Michigan Compiled Laws, for the purpose of acquiring equipment for the AFIS.

FORENSIC SCIENCES

Sec. 601. It is the intent of the legislature that the department provide toxicology services to local agencies.

LAW ENFORCEMENT OFFICERS TRAINING COUNCIL

Sec. 701. (1) The money appropriated to the MLEOTC for maintenance and delivery of training to locals is provided in accordance with a state reimbursement policy in which 100% of the determined state reimbursement rate shall be distributed upon certification by the MLEOTC.

(2) Money shall not be expended by the MLEOTC for training a law enforcement officer candidate, and a candidate shall not be certified by the MLEOTC, unless the candidate tests negative on a test prescribed by the MLEOTC that is designed to detect the illegal use of controlled substances. A test shall be conducted before basic training and before application for certification. A candidate who tests positive or refuses to submit to a test is not eligible for MLEOTC training or certification until the expiration of 2 years after the positive test or the refusal to submit to the test. Money shall not be expended to employ, train, or certify a candidate who tests positive or who refuses a test, until the expiration of 2 years after the positive test or the refusal to submit to the test.

EMERGENCY MANAGEMENT

Sec. 801. (1) The state director of emergency management may expend money appropriated under this act to call upon any agency or department of the state or any resource of the state to protect life or property or to provide for the health or safety of the population in any area of the state in which the governor proclaims a state of emergency or state of disaster under Act No. 302 of the Public Acts of 1945, being sections 10.31 to 10.33 of the Michigan Compiled Laws, or under the emergency management act, Act No. 390 of the Public Acts of 1976, being sections 30.401 to 30.420 of the Michigan Compiled Laws. The state director of emergency management may expend the amounts the director considers necessary to accomplish these purposes. The director shall submit to the state budget director as soon as possible a complete report of all actions taken under the authority of this section. The report shall contain, as a separate item, a statement of all money expended that is not reimbursable from federal money. The state budget director shall review the expenditures and submit recommendations to the legislature in regard to any possible need for a supplemental appropriation.

(2) In addition to the money appropriated in section 101, the department may receive and expend money from local, private, federal, or state sources for the purpose of providing emergency management training to local or private interests.

(3) In addition to the money appropriated in section 101, the department may receive or expend money from local, private, federal, or state sources for the purpose of supporting emergency preparedness, response, recovery, and mitigation activity.

UNIFORM SERVICES

Sec. 901. The department shall not expend any portion of the money appropriated in section 101, including any expenditure made under an executive order, to plan for or to implement a roadblock or check lane system that has as its primary objective the deterrence or detection of intoxicated drivers in this state.

Sec. 902. It is the intent of the legislature that the department maintain the maximum number of troopers on the road from the available money appropriated in section 101.

Sec. 903. Upon service of proper notification by the department of its intent to cancel the lease at any post that is subject to consolidation, money appropriated in section 101 shall not be used for rent expenses at that post beyond the minimum time required for cancellation of the lease.

Sec. 904. State police enlisted personnel who are employed to enforce traffic laws as provided in section 629e of the Michigan vehicle code, Act No. 300 of the Public Acts of 1949, being section 257.629e of the Michigan Compiled Laws, shall not be prohibited from responding to crimes in progress or other emergency situations, and are responsible for protecting every citizen of this state from harm.

SPECIAL OPERATIONS

Sec. 1001. Money appropriated under section 101 for the state public safety communications system shall be expended upon approval of an expenditure plan by the department of management and budget.

Sec. 1002. It is the intent of the legislature that the grant to the city of Detroit under section 101 be allocated by the city to supplement the city's appropriations for the Detroit crime lab and the Detroit police special events account previously funded through the Michigan equity program.

INVESTIGATIVE SERVICES

Sec. 1101. (1) There is sufficient money appropriated in section 101 to investigative services to ensure that the citizens in a service area of any state police post in the vicinity of a state prison do not experience a downgrading of state police services in their area. Investigative services shall be available by temporary or permanent assignment of a detective when either a temporary or permanent prison facility is opened.

(2) If the department is unable to comply with subsection (1) and there is a prison scheduled to open, the department shall provide troopers to serve as investigators on an interim basis.

FIRE MARSHAL

Sec. 1201. From the money appropriated in section 101 for fire fighters training council, an additional \$1,000.00 shall be allocated per county for fire fighters' training.

Sec. 1202. The fire fighters training council shall report any proposed changes in educational and/or training requirements for volunteer fire fighters to the house and senate appropriations subcommittees on state police and military affairs 30 days prior to implementing the proposed changes.

This act is ordered to take immediate effect.

Secretary of the Senate.

Clerk of the House of Representatives.
