5 the Public Acts of 1984, being sections 18.1101 to 18.1594 of the
6 Michigan Compiled Laws.

7 Sec. 202. (1) The amounts appropriated from one fund to another

18 necessitate additional expenditures that exceed savings from
19 maintaining a vacancy. On the fifteenth of each month, the department
20 of management and budget shall report to the house and senate
21 appropriations committees and the governor any exceptions that have
22 been granted in the preceding month.

23 (2) Permanent career appointments shall be used as defined by the
24 civil service commission.

25 (3) The number of FTEs to be funded by each individual line item
26 amount shall be determined by the department within the overall limit

2 (2) Funds appropriated in subsection (1) totalling less than
3 \$50,000.00 during the fiscal year from any one source may be expended

6 committees and the house and senate fiscal agencies within thirty days
7 after the close of each fiscal quarter.

8 (3) Funds appropriated in subsection (1) totalling \$50,000.00 or
9 more during the fiscal year are not available for expenditure until
10 they have been transferred to another line item in this act through an
11 administrative transfer as defined in section 393(1) of Act No. 431 of
12 the Public Acts of 1984, as amended, being section 18.1393(1) of the
13 Michigan Compiled Laws.

14 Sec. 205. The department of civil service shall bill departments
15 and/or agencies at the end of the first fiscal quarter for the 1%
16 charges authorized by section 5 of Article XI of the State Constitution
17 of 1963. Payments shall be made for the total amount of the billing by
18 the end of the second fiscal quarter.

14 convicted felons. For a sentence recommendation in a presentence
15 investigation report under section 14 of chapter XI of the code of
16 criminal procedure, Act No. 175 of the Public Acts of 1927, being
17 section 771.14 of the Michigan Compiled Laws, the guidelines shall
18 require probation staff to recommend a sentence other than prison for

20 only when required by law or when no alternative community sentence
21 will provide public protection, pursuant to OP BFS 71.01. Probation
22 staff shall review all options for alternatives to incarceration and
23 recommend nonprison sentences for all nonviolent offenders, excluding
24 sentences for which there is a mandatory prison sentence. If the

26 deviation shall be attached to the recommended prison sentence and
27 included with the presentence investigation report. The department
28 shall ensure that this data is collected as part of the department's

11 (2) Program participant contributions and local-community-tether

17 the department. The community-tether program is intended to provide
18 sentencing judges and county sheriffs in coordination with local

22 parts, administrative oversight of the equipment's operation,
23 notification of violators, and periodic reports regarding county
24 program participants. Under the \$5.30 per diem option, counties are
25 responsible for tether equipment installation and service, and
26 apprehension of program violators. For \$7.50 per diem the state will

9 community-tether program agreement and lose access to the program.

10 Sec. 502. Community-placement prisoners shall reimburse the
11 department for the operational costs of the program. As an alternative
12 method of payment the department may develop a community service work
13 schedule for those individuals unable to meet reimbursement
14 requirements established by the department.

15 Sec. 503. It is the department's intent to avoid locating a new
16 community corrections center in a residential neighborhood unless the
17 location of the proposed community corrections center has the support
18 of the local unit of government in whose jurisdiction the community
19 corrections center is proposed to be located. If the local unit of
20 government does not give its support for that location, the local unit
21 of government within 60 days shall provide an alternative site for the
22 proposed community corrections center within the local governmental
23 unit's jurisdiction that is acceptable to the department.

15 prison commitment rate.

16 (c) Reduction of crime and recidivism through the delivery of
17 effective state and community-based programs.

18 (d) Strengthen offender accountability.

19 (2) The OCC shall coordinate with community corrections boards and
20 the department for available services including, but not limited to,
21 education, employment, mental health, and substance abuse, to implement
22 a cost-effective comprehensive community corrections program for
23 offenders.

24 Sec. 703. (1) As part of the biannual report specified under
25 section 12(2) of the community corrections act, Act No. 511 of the

14 Sec. 704. (1) The OCC shall identify and coordinate information
15 with the department regarding the availability of and the demand for
16 community corrections programs, jail-based community corrections
17 programs, and basic state required jail data.

18 (2) The office of community corrections shall be responsible for
19 the collection, analysis, and reporting of state required jail data.

20 (3) As a prerequisite to participation in the programs and services
21 offered through the office of community corrections, counties shall
22 provide basic jail data and other pertinent information as determined
23 by the department to the office of community corrections.

24 Sec. 705. From the funds appropriated in section 101 for
25 comprehensive corrections plans and services, no funds shall be awarded
26 to local jurisdictions that have not had their comprehensive
27 corrections plans officially approved by the state community
28 corrections board.

29 **CONSENT DECREES**

30 Sec. 801. Expenditures from the funds appropriated in section 101

14 the housing of prisoners other than those specifically budgeted for
15 elsewhere in this act. Expenditures from the inmate housing fund shall
16 be made by administrative transfer to existing accounts or to separate
17 accounts created to separately identify costs for specific purposes.

18 (2) Quarterly reports on all expenditures from the inmate housing
19 fund shall be submitted by the department to the department of
20 management and budget, the senate and house appropriations
21 subcommittees on corrections, and the senate and house fiscal agencies.
