24 the code of criminal procedure, Act No. 175 of the Public Acts of 1927,  
25 being section 771.14 of the Michigan Compiled Laws, the guidelines  
26 shall require probation staff to recommend a sentence other than prison  
27 for short-term nonviolent offenses and should recommend prison  
28 sentences only when required by law or when no alternative community  
29 sentence will provide public protection, pursuant to OPBFS 71.01.  
30 Probation staff shall review all options for alternatives to

1 incarceration and recommend nonprison sentences for all nonviolent  
2 offenders, excluding sentences for which there is a mandatory  
3 prison sentence. If the probation staff deviates from these  
4 guidelines, reasons for the deviation shall be attached to the  
5 recommended prison sentence and included with the presentence  
6 investigation report. The department shall ensure that this data is  
7 collected as part of the department's overall information systems  
8 upgrade project and that it is compiled in an annual report submitted  
9 to the senate and house appropriations subcommittees on corrections,  
10 the senate and house fiscal agencies, and the department of management  
11 and budget by April 1 of each year.

18 community service work project sites.

19 (2) As used in this section, community service work means work  
20 performed by an offender in an unpaid position with a nonprofit or tax  
21 supported agency for a specified number of hours of work or service  
22 within a given time period.

23 (3) The community service work program shall provide adult

13 community corrections boards access to the state's electronic tether  
14 program based on a 2-tier reimbursement schedule. The state will, for  
15 \$5.30 per diem, provide counties with the tether equipment, replacement  
16 parts, administrative oversight of the equipment's operation,  
17 notification of violators, and periodic reports regarding county  
18 program participants. Under the \$5.30 per diem option, counties are  
19 responsible for tether equipment installation and service, and  
20 apprehension of program violators. For \$7.50 per diem, the state will  
21 provide the equipment, staff to install and service the equipment,  
22 administrative oversight staff, periodic reports regarding county  
23 program participants, and notification of program violators. County

25 program violators. The department shall assist in determining the  
26 appropriate distribution of the tether units throughout the state based  
27 on analysis of community demand through community comprehensive plans

29 department for implementation. County officials are responsible for  
30 collecting per diem fees from community tether program offenders if a

1 per diem fee is initiated by the county programs. Any county with  
2 tether charges outstanding over 60 days shall be considered in  
3 violation of the community tether program agreement and lose access to

#### 14 **CONSENT DECREES**

15 Sec. 1101. Expenditures from the funds appropriated in section 101  
16 for the federal court consent decree and the Hadix court consent decree  
17 shall be transferred by the department to separate accounts created for  
18 the purpose of separately identifying costs associated with each  
19 consent decree.
