ADDENDUM TO SENATE FISCAL AGENCY ANALYSIS OF SB 140 DATED 3-4-97:

The Senate Fiscal Agency analysis reflects the content of the bill as passed by the Senate.

HOUSE COMMITTEE ACTION:

The House Committee on Conservation, Environment and Recreation amended Senate Bill 140 to:

- Specify that "department," as used in the bill, would mean the Department of Environmental Quality.
- Specify that, if the legislative body of a local unit submitted a resolution identifying how the requirements for a more stringent local ordinance would be met, and the department failed to issue an opinion, or approve or disapprove it within the time periods specified under the bill, then the ordinance would be considered to have been approved.
