VERIFY TEACHING CERTIFICATE

House Bill 5720

Sponsor: Rep. A.T. Frank

Committee: Education

Complete to 5-11-98

A SUMMARY OF HOUSE BILL 5720 AS INTRODUCED 3-31-98

The bill would amend the Revised School Code so that school boards would annually, before the beginning of the school year, have to require each person employed in a position requiring teacher certification to present verification that his or her certificate was valid, current, and sufficient for the position in which he or she was to be employed during the coming year. If a person failed to provide the verification before the beginning of the school year, the board could not allow the person to serve in the position until verification was provided.

The bill would apply to the board of a school district, local act school district, or intermediate school district.
