## TRANSPORTING LIVESTOCK BEDDING AND FEED

**House Bill 5754**

**Sponsor: Rep. Michael Nye**

**Committee: Agriculture**

**Complete to 4-29-98**

### **A SUMMARY OF HOUSE BILL 5754 AS INTRODUCED 4-22-98**

Under the Michigan Vehicle Code, owners of trucks, truck tractors, or road tractors used exclusively to transport ("gratuitously") either farms crops between the fields where the crops are produced and where they are stored, or fertilizer, seed or spray material from the farm to the field, are eligible for special \$20 registrations. The bill would amend the code to make the transportation of livestock bedding and feed between the field where they were produced to where they are stored also eligible for this special registration.
