1 PART 2

2 PROVISIONS CONCERNING APPROPRIATIONS

3 **GENERAL SECTIONS**

4 Sec. 201. (1) Pursuant to section 30 of article IX of the state
5 constitution of 1963, total state spending from state sources for fiscal
6 year 1998-99 is estimated at \$287,954,975.00 in this bill and state
7 spending from state sources paid to local units of government for fiscal
8 year 1998-99 is estimated at \$287,954,975.00.

9 (2) If it appears to the principal executive officer of a community
10 college that state spending to local units of government will be less
11 than the amount that was projected to be expended under subsection (1),
12 the principal executive officer shall immediately give notice of the
13 approximate shortfall to the department of management and budget.

14 Sec. 202. The appropriations made and the expenditures authorized
15 under this act and the departments, agencies, commissions, boards,
16 offices, and programs for which an appropriation is made under this act
17 are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to
18 18.1594.

19 Sec. 203. (1) The sums appropriated in this act are appropriated
20 for community colleges with fiscal years ending June 30, 1999 and shall
21 be paid out of the state treasury and distributed by the state treasurer
22 to the respective community colleges in 9 equal monthly installments for
23 the period October 1, 1998 to June 30, 1999. However, if a community
24 college fails to submit all verified Michigan Community Colleges
25 Activities Classification Structure data for school year 1997-98 to the
26 department of education by November 1, 1998, the monthly installments
27 shall be withheld from that community college until those data are

1 submitted. The department of education shall publish the activity
2 classification structure data book on or before March 1, 1999 for use by
3 the legislature during budget development for the fiscal year ending
4 September 30, 2000. The amount from the funds appropriated in part 1
5 that is allocated under section 401 to address the special needs of
6 at-risk students shall be paid in full by the state treasurer by November
7 1, 1998. The amount distributed to a community college or department
8 shall not exceed the net state allocation authorized by this act.

9 (2) Except as otherwise provided by law, each of the amounts appro-
10 priated shall be used solely for the respective purposes stated in this
11 act. The funds appropriated by this act may be used to match the cost of
12 any available programs under the Carl D. Perkins vocational and applied
13 technology education act, Public Law 88-210, 98 Stat. 2435, including
14 local administration.

15 Sec. 204. (1) The auditor general or an independent public account-
16 ing firm appointed by the auditor general shall audit data for the fiscal
17 year ending on June 30, 1998 as submitted on the department of education
18 request forms of 7 randomly selected community colleges. A community
19 college shall maintain and provide those records necessary for the audi-
20 tor general or certified public accountant appointed by the auditor gen-
21 eral to determine the accuracy of the reported data. The audits shall be
22 based upon the definitions and requirements contained in the Manual for
23 Uniform Financial Reporting, Michigan Public Community Colleges, pub-
24 lished by the Michigan state board of education in 1981, and the
25 Activities Classification Structure Manual for Michigan Community
26 Colleges, 1996 revision of the final report of the activities
27 classification structure task force (July 1981), published by the

2 Before the submission of a final audit report, a community college may
3 appeal the findings of the preliminary report under an appeal process to
4 be established by the auditor general. The auditor general shall submit
5 a report of the findings to the house and senate appropriations commit-
6 tees, the department of education, and the department of management and
7 budget before June 1, 1999.

9 by the auditor general shall conduct not less than 3 performance audits
10 of community colleges but may conduct more if the auditor general consid-
11 ers it necessary.

12 (3) Not more than 60 days after an audit report is released by the
13 office of the auditor general, the principal executive officer of the
14 community college that was audited shall submit to the house and senate
15 appropriations committees, the house and senate fiscal agencies, the
16 department of education, the auditor general, and the department of man-

19 compliance with the audit recommendations, or a documented explanation of
20 the college's noncompliance with the audit recommendations concerning the
21 matters on which the audited community college and office of the auditor
22 general disagree.

23 (4) A community college whose audited activities classification
24 structure data is significantly different than the data used to determine
25 state aid under this act shall return any overappropriated funds as pro-
26 vided in this section. The department of education shall compare formula
27 computations for the audited colleges using pre- and post- audit data.

5 Sec. 205. The department of education shall revise and update the
6 taxonomy of the 7 community colleges selected for audit under section

11 Sec. 206. (1) A community college shall retain certified class sum-
12 maries, class lists, registration documents, and student transcripts that
13 are consistent with the taxonomy of courses. For each enrollment period
14 during the fiscal year, these certified documents shall identify clearly
15 by course the number of in-district and out-of-district student credit
16 and contact hours. The class summaries and class lists shall be consis-
17 tent with each other and shall include the course prefix and numbers,
18 course title, course credit and contact hours, credit and contact hours
19 generated by each student, and activity classifications consistent with
20 the taxonomy. An auditable process shall be used by the community col-
21 lege to determine the unduplicated head count for in-district students,
22 out-of-district students, and prisoners for each enrollment period during
23 the fiscal year.

24 (2) Contracts between the community college and agencies that reim-
25 burse the community college for the costs of instruction shall be
