

SENATE BILL NO. 829

December 3, 1997, Introduced by Senators EMMONS and
HOFFMAN and referred to the Committee on Appropriations.

A bill to amend 1971 PA 140, entitled
"State revenue sharing act of 1971,"
by amending section 3 (MCL 141.903), as amended by 1980 PA 275.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 3. (1) "Population" for the purpose of distributing
2 revenues among cities, villages, townships, and counties means
3 population according to the last and each succeeding statewide
4 federal census, or a special statewide census as provided by law,
5 whichever is later. Corrections to the statewide federal census
6 that are published by the bureau of the census, United States
7 department of commerce, and that occur during the period July 1,
8 and ending June 30, shall become effective for the purpose of
9 revenue distributions on the next July 1. Fifty percent of the
10 total number of persons who are wards —, AND patients —, ~~or~~ AND
11 NO PERSONS WHO ARE convicts committed to or domiciled in a city,

1 village, or township institution located outside the boundaries
2 of the city, village, or township or committed to or domiciled in
3 a county, state, or federal tax-supported institution, if the
4 persons were included in the federal census, or any special
5 census as provided by law, shall be excluded from the
6 computation. The population of a township is its population out-
7 side the corporate limits of villages in the township. The popu-
8 lation data used in determining distributions under this act in a
9 year in which a federal decennial statewide census, federal
10 mid-decade statewide census, or special statewide census provided
11 by law is conducted ~~shall become~~ BECOMES effective for distri-
12 butions made on and after October 1 of the year for which the
13 respective census is conducted. Once the official population
14 data from a federal decennial statewide census, federal
15 mid-decade statewide census, or special statewide census provided
16 by law is certified and published, the department of management
17 and budget shall calculate any overpayment or underpayment made
18 to a local unit of government since the effective date of the
19 respective census and make adjustments in future distributions to
20 the local unit of government to correct these overpayments or
21 underpayments of revenue distributed pursuant to this act.

22 (2) "Rate" means a figure determined each May 15 by the
23 department of management and budget pursuant to this act from
24 applicable tax data for the preceding calendar year as reported
25 to it by the department of treasury and applicable to payments
26 made during the succeeding period of July 1 to June 30.
