The People of the State of Michigan enact:

Upon request of the board of a school district, the department and the intermediate school district shall assist the school district in the development and implementation of district school improvement plans. Educational organizations may also provide assistance for these purposes. School improvement plans described in this section shall be updated annually by each school and by the board of the school district.

(3) Each intermediate school board shall adopt and implement and, not later than September 1 each year, shall make available to the department a copy of a 3- to 5-year intermediate school district school improvement plan and continuing school improvement process for the intermediate school district.
