*The People of the State of Michigan enact:*

Sec. 128. (1) Subject to subsections (2) and (3), the board of trustees of a community college created under this act may grant to the public safety officers or police officers of that community college the powers and authority of a peace or law enforcement officer. Public safety officers or police officers granted the powers and authority under this act shall have the same powers and authority of a peace officer under the code of criminal procedure, 1927 PA 175, MCL 760.1 to 776.22, and as provided under the Michigan vehicle code, 1949 PA 300, MCL 257.1 to 257.923.

(2) Before granting the powers and authority provided under subsection (1), a board of trustees of a community college shall conduct not less than 2 public hearings.

Sec. 129. (1) The jurisdiction of public safety officers or police officers granted powers and authority of peace or law enforcement officers under section 128 shall include all property owned or leased by the community college in this state and extends to the public right-of-way traversing or contiguous to that property.

(2) The jurisdiction of public safety officers or police officers under subsection (1) is limited to the protection of persons and property on the property of that community college unless an emergency response is made off campus at the specific request of another law enforcement agency.

Sec. 130. Public safety officers or police officers of a community college to whom the powers and authority of a peace or law enforcement officer are granted under section 1 shall meet the minimum standards of the Michigan law enforcement officers training council act of 1965, 1965 PA 203, MCL 28.601 to 28.616.
