## CHAPTER XIIIA

Sec. 13a. (1) As used in this section and sections 13b, 17c, 17d, 18f, 19, 19a, 19b, and 19c of this chapter:

(a) "Agency" means a public or private organization, institution, or facility responsible under court order or contractual arrangement for a juvenile's care and supervision.

(b) "Attorney" means, if appointed to represent a child in a proceeding under section 2(b) or (c) of this chapter, an attorney serving as the child's legal advocate in a traditional attorney-client relationship with the child, as governed by the Michigan rules of professional conduct. An attorney defined under this subdivision owes the same duties of undivided loyalty, confidentiality, and zealous representation of the child's expressed wishes as the attorney would to an adult client. For the purpose of a notice required under these sections, attorney includes a child's lawyer-guardian ad litem.

(c) "Foster care" means care provided to a juvenile in a foster family home, foster family group home, or juvenile caring institution licensed or approved under 1973 PA 116, MCL 722.111 to 722.128, or care provided to a juvenile in a relative's home under a court order.

(d) "Guardian ad litem" means an individual whom the court appoints to assist the court in determining the child's best interests. A guardian ad litem does not need to be an attorney.

(e) "Lawyer-guardian ad litem" means an attorney appointed under section 17c of this chapter. A lawyer-guardian ad litem represents the child, and has the powers and duties, as set forth in section 17d of this chapter. The provisions of section 17d of this chapter also apply to a lawyer-guardian ad litem appointed under each of the following:

(i) Section 427 or 437 of the revised probate code, 1978 PA 642, MCL 700.427 and 700.437.

(ii) Section 4 of the child custody act of 1970, 1970 PA 91, MCL 722.24.

(iii) Section 10 of the child protection law, 1975 PA 238, MCL 722.630.

(f) "Permanent foster family agreement" means an agreement for a child 14 years old or older to remain with a particular foster family until the child is 18 years old under standards and requirements established by the family independence agency, which agreement is among all of the following:

(i) The child.

(ii) If the child is a temporary ward, the child's family.

(iii) The foster family.

(iv) The child placing agency responsible for the child's care in foster care.

(2) If a juvenile is alleged to be within the provisions of section 2(b) of this chapter, the court may authorize a petition to be filed at the conclusion of the preliminary hearing or inquiry. The court may authorize the petition upon a showing of probable cause that 1 or more of the allegations in the petition are true and fall within the provisions of section 2(b) of this chapter. If a petition is before the court because the family independence agency is required to submit the petition under section 17 of the child protection law, 1975 PA 238, MCL 722.637, the court shall hold a hearing on the petition within 24 hours or on the next business day after the petition is submitted, at which hearing the court shall consider at least the matters governed by subsections (4) and (5).

(3) Except as provided in subsection (5), if a petition under subsection (2) is authorized, the court may release the juvenile in the custody of either of the juvenile's parents or the juvenile's guardian or custodian under reasonable terms and conditions necessary for either the juvenile's physical health or mental well-being.

(4) The court may order a parent, guardian, custodian, or other person residing in a child's home to leave the home and, except as the court orders, not to subsequently return to the home if all of the following take place:

(a) A petition alleging abuse of the child by the parent, guardian, custodian, or other person is authorized under subsection (2).

(b) The court after a hearing finds probable cause to believe the parent, guardian, custodian, or other person committed the abuse.

(c) The court finds on the record that the presence in the home of the person alleged to have committed the abuse presents a substantial risk of harm to the child's life, physical health, or mental well-being.

(5) If a petition alleges abuse by a person described in subsection (4), regardless of whether the court orders the alleged abuser to leave the child's home under subsection (4), the court shall not leave the child in or return the child to the child's home or place the child with a person not licensed under 1973 PA 116, MCL 722.111 to 722.128, unless the court finds that the conditions of custody at the placement and with the individual with whom the child is placed are adequate to safeguard the child from the risk of harm to the child's life, physical health, or mental well-being.

(6) In determining whether to enter an order under subsection (4), the court may consider whether the parent who is to remain in the juvenile's home is married to the person to be removed or has a legal right to retain possession of the home.

(7) An order entered under subsection (4) may also contain 1 or more of the following terms or conditions:

(a) The court may require the alleged abusive parent to pay appropriate support to maintain a suitable home environment for the juvenile during the duration of the order.

(b) The court may order the alleged abusive person, according to terms the court may set, to surrender to a local law enforcement agency any firearms or other potentially dangerous weapons the alleged abusive person owns, possesses, or uses.

(c) The court may include any reasonable term or condition necessary for the juvenile's physical or mental well-being or necessary to protect the juvenile.

(8) If the court orders placement of the juvenile outside the juvenile's home, the court shall inform the parties of the following:

(a) That the agency has the responsibility to prepare an initial services plan within 30 days of the juvenile's placement.

(b) The general elements of an initial services plan as required by the rules promulgated under 1973 PA 116, MCL 722.111 to 722.128.

(c) That participation in the initial services plan is voluntary without a court order.

(9) Before or within 7 days after a child is placed in a relative's home, the family independence agency shall perform a criminal record check and central registry clearance. If the child is placed in the home of a relative, the court shall order a home study to be performed and a copy of the home study to be submitted to the court not more than 30 days after the placement.

(10) In determining placement of a juvenile pending trial, the court shall order the juvenile placed in the most family-like setting available consistent with the juvenile's needs.

(11) If a juvenile is removed from his or her home, the court shall permit the juvenile's parent to have frequent parenting time with the juvenile. However, if parenting time, even if supervised, may be harmful to the juvenile, the court shall order the child to have a psychological evaluation or counseling, or both, to determine the appropriateness and the conditions of parenting time. The court may suspend parenting time while the psychological evaluation or counseling is conducted.

(12) Upon the motion of any party, the court shall review custody and placement orders and initial services plans pending trial and may modify those orders and plans as the court considers under this section are in the juvenile's best interests.

(13) The court shall include in an order placing a child in foster care an order directing the release of information concerning the child in accordance with this subsection. If a child is placed in foster care, within 10 days after receipt of a written request, the agency shall provide the person who is providing the foster care with copies of all initial, updated, and revised case service plans and court orders relating to the child and all of the child's medical, mental, and education reports, including reports compiled before the child was placed with that person.

(14) In an order placing a child in foster care, the court shall include both of the following:

(a) An order that the child's parent, guardian, or custodian provide the supervising agency with the name and address of each of the child's medical providers.

(b) An order that each of the child's medical providers release the child's medical records. The order may specify providers by profession or type of institution.

(15) As used in this section, "abuse" means 1 or more of the following:

(a) Harm or threatened harm by a person to a juvenile's health or welfare that occurs through nonaccidental physical or mental injury.

(b) Engaging in sexual contact or sexual penetration as defined in section 520a of the Michigan penal code, 1931 PA 328, MCL 750.520a, with a juvenile.

(c) Sexual exploitation of a juvenile, which includes, but is not limited to, allowing, permitting, or encouraging a juvenile to engage in prostitution or allowing, permitting, encouraging, or engaging in photographing, filming, or depicting a juvenile engaged in a listed sexual act as defined in section 145c of the Michigan penal code, 1931 PA 328, MCL 750.145c.

(d) Maltreatment of a juvenile.

Sec. 17c. (1) In a proceeding under section 2(a) or (d) of this chapter or a proceeding regarding a supplemental petition alleging a violation of a personal protection order under section 2(h) of this chapter, the court shall advise the child that he or she has a right to an attorney at each stage of the proceeding.

(2) In a proceeding under section 2(a) or (d) of this chapter, the court shall appoint an attorney to represent the child if 1 or more of the following apply:

(a) The child's parent refuses or fails to appear and participate in the proceedings.

(b) The child's parent is the complainant or victim.

(c) The child and those responsible for his or her support are financially unable to employ an attorney and the child does not waive his or her right to an attorney.

(d) Those responsible for the child's support refuse or neglect to employ an attorney for the child and the child does not waive his or her right to an attorney.

(e) The court determines that the best interests of the child or the public require appointment.

(3) Except as otherwise provided in this subsection, in a proceeding under section 2(a) or (d) of this chapter, the child may waive his or her right to an attorney. The waiver by a child shall be made in open court, on the record, and shall not be made unless the court finds on the record that the waiver was voluntarily and understandingly made. The child may not waive his or her right to an attorney if the child's parent or guardian ad litem objects or if the appointment is made under subsection (2)(e).

(4) In a proceeding under section 2(b) or (c) of this chapter, the court shall advise the respondent at the respondent's first court appearance of all of the following:

(a) The right to an attorney at each stage of the proceeding.

(b) The right to a court-appointed attorney if the respondent is financially unable to employ an attorney.

(c) If the respondent is not represented by an attorney, the right to request and receive a court-appointed attorney at a later proceeding.

(5) If it appears to the court in a proceeding under section 2(b) or (c) of this chapter that the respondent wants an attorney and is financially unable to retain an attorney, the court shall appoint an attorney to represent the respondent.

(6) Except as otherwise provided in this subsection, in a proceeding under section 2(b) or (c) of this chapter, the respondent may waive his or her right to an attorney. A respondent who is a minor may not waive his or her right to an attorney if the respondent's parent or guardian ad litem objects.

(7) In a proceeding under section 2(b) or (c) of this chapter, the court shall appoint a lawyer-guardian ad litem to represent the child. The child shall not waive the assistance of the lawyer-guardian ad litem. In addition to any other powers and duties, a lawyer-guardian ad litem's powers and duties include those prescribed in section 17d.

(8) If an attorney or lawyer-guardian ad litem is appointed for a party under this act, after a determination of ability to pay the court may enter an order assessing attorney costs against the party or the person responsible for that party's support, or against the money allocated from marriage license fees for family counseling services under section 3 of 1887 PA 128, MCL 551.103. An order assessing attorney costs may be enforced through contempt proceedings.

(9) An attorney or lawyer-guardian ad litem appointed by the court under this section shall serve until discharged by the court. If the child's case was petitioned under section 2(b) of this chapter, the court shall not discharge the lawyer-guardian ad litem for the child as long as the child is subject to the jurisdiction, control, or supervision of the court, or of the Michigan children's institute or other agency, unless the court discharges the lawyer-guardian ad litem for good cause shown on the record. If the child remains subject to the jurisdiction, control, or supervision of the court, or the Michigan children's institute or other agency, the court shall immediately appoint another lawyer-guardian ad litem to represent the child.

(10) To assist the court in determining a child's best interests, the court may appoint a guardian ad litem for a child involved in a proceeding under this chapter.

Sec. 17d. (1) A lawyer-guardian ad litem's duty is to the child, and not the court. The lawyer-guardian ad litem's powers and duties include at least all of the following:

(a) The obligations of the attorney-client privilege.

(b) To serve as the independent representative for the child's best interests, and be entitled to full and active participation in all aspects of the litigation and access to all relevant information regarding the child.

(c) To determine the facts of the case by conducting an independent investigation including, but not limited to, interviewing the child, social workers, family members, and others as necessary, and reviewing relevant reports and other information.

(d) Before each proceeding or hearing, to meet with and observe the child, assess the child's needs and wishes with regard to the representation and the issues in the case, review the agency case file and, consistent with the rules of professional responsibility, consult with the child's parents, foster care providers, guardians, and caseworkers.

(e) To explain to the child, taking into account the child's ability to understand the proceedings, the lawyer-guardian ad litem's role.

(f) To file all necessary pleadings and papers and independently call witnesses on the child's behalf.

(g) To attend all hearings and substitute representation for the child only with court approval.

(h) To make a determination regarding the child's best interests and advocate for those best interests according to the lawyer-guardian ad litem's understanding of those best interests, regardless of whether the lawyer-guardian ad litem's determination reflects the child's wishes. The child's wishes are relevant to the lawyer-guardian ad litem's determination of the child's best interests, and the lawyer-guardian ad litem shall weigh the child's wishes according to the child's competence and maturity. Consistent with the law governing attorney-client privilege, the lawyer-guardian ad litem shall inform the court as to the child's wishes and preferences.

(i) To monitor the implementation of case plans and court orders, and determine whether services the court ordered for the child or the child's family are being provided in a timely manner and are accomplishing their purpose. The lawyer-guardian ad litem shall inform the court if the services are not being provided in a timely manner, if the family fails to take advantage of the services, or if the services are not accomplishing their intended purpose.

(j) Consistent with the rules of professional responsibility, to identify common interests among the parties and, to the extent possible, promote a cooperative resolution of the matter.

(k) To request authorization by the court to pursue issues on the child's behalf that do not arise specifically from the court appointment.

(2) If, after discussion between the child and his or her lawyer-guardian ad litem, the lawyer-guardian ad litem determines that the child's interests as identified by the child are inconsistent with the lawyer-guardian ad litem's determination of the child's best interests, the lawyer-guardian ad litem shall communicate the child's position to the court. If the court considers the appointment appropriate considering the child's age and maturity and the nature of the inconsistency between the child's and the lawyer-guardian ad litem's identification of the child's interests, the court may

appoint an attorney for the child. An attorney appointed under this subsection serves in addition to the child's lawyer-guardian ad litem.

(3) The court or another party to the case shall not call a lawyer-guardian ad litem as a witness to testify regarding matters related to the case. The lawyer-guardian ad litem's file of the case is not discoverable.

Sec. 18f. (1) If, in a proceeding under section 2(b) of this chapter, an agency advises the court against placing a child in the custody of the child's parent, guardian, or custodian, the agency shall report in writing to the court what efforts were made to prevent the child's removal from his or her home or the efforts made to rectify the conditions that caused the child's removal from his or her home. The report shall include all of the following:

(a) If services were provided to the child and his or her parent, guardian, or custodian, the services, including in-home services, that were provided.

(b) If services were not provided to the child and his or her parent, guardian, or custodian, the reasons why services were not provided.

(c) Likely harm to the child if the child were to be separated from his or her parent, guardian, or custodian.

(d) Likely harm to the child if the child were to be returned to his or her parent, guardian, or custodian.

(2) Before the court enters an order of disposition in a proceeding under section 2(b) of this chapter, the agency shall prepare a case service plan that shall be available to the court and all the parties to the proceeding.

(3) The case service plan shall provide for placing the child in the most family-like setting available and in as close proximity to the child's parents' home as is consistent with the child's best interests and special needs. The case service plan shall include, but not be limited to, the following:

(a) The type of home or institution in which the child is to be placed and the reasons for the selected placement.

(b) Efforts to be made by the child's parent to enable the child to return to his or her home.

(c) Efforts to be made by the agency to return the child to his or her home.

(d) Schedule of services to be provided to the parent, child, and if the child is to be placed in foster care, the foster parent, to facilitate the child's return to his or her home or to facilitate the child's permanent placement.

(e) Except as otherwise provided in this subdivision, unless parenting time, even if supervised, would be harmful to the child as determined by the court under section 13a of this chapter or otherwise, a schedule for regular and frequent parenting time between the child and his or her parent which shall not be less than once every 7 days. At the time of the initial termination hearing held to consider termination of parental rights, parenting time is automatically suspended unless the parent establishes and the court determines that the exercise of parenting time will not harm the child. If the court adjourns or continues the termination hearing beyond the original scheduled date for any reason, the court shall suspend parenting time in the interim, unless the court determines that the exercise of parenting time will not harm the child.

(4) Before the court enters an order of disposition, the court shall consider the case service plan; any written or oral information offered concerning the child from the child's parent, guardian, custodian, foster parent, child caring institution, relative with whom the child is placed, lawyer-guardian ad litem, attorney, or guardian ad litem; and any other evidence offered, including the appropriateness of parenting time, which information or evidence bears on the disposition. The order of disposition shall state whether reasonable efforts have been made to prevent the child's removal from his or her home or to rectify the conditions that caused the child's removal from his or her home. The court may order compliance with all or any part of the case service plan as the court considers necessary.

(5) If a child continues in placement outside of the child's home, the case service plan shall be updated and revised at 90-day intervals as required by the rules promulgated under 1973 PA 116, MCL 722.111 to 722.128. The agency shall consult with the foster parents when it updates and revises the case service plan, and shall attach a statement summarizing the information received from the foster parents to the updated and revised case service plan. Updated and revised case service plans shall be available to the court and all the parties to the proceeding. Within 10 days after receipt of a written request, the agency shall provide the person who is providing the foster care with the information itemized in section 13a(13) of this chapter.

(6) To ensure that the case service plan addresses the child's medical needs in relation to abuse and neglect, the family independence agency shall review a child's case with the child's attending physician of record during a hospitalization or with the child's primary care physician, but only if a physician has diagnosed the child's abuse or neglect as involving 1 or more of the following:

(a) Failure to thrive.

(b) Munchausen syndrome by proxy.

(c) Shaken baby syndrome.

(d) A bone fracture that is diagnosed as being the result of abuse or neglect.

(e) Drug exposure.

(7) If a child is placed outside of his or her home and the family independence agency is required to review the child's case with a physician under subsection (6), then in a judicial proceeding to determine if the child is to be returned to his or her home the court must allow the child's attending physician of record during a hospitalization or the child's primary care physician to testify regarding the case service plan. The court shall notify each physician of the hearing's time and place.

Sec. 19. (1) Subject to section 20 of this chapter, if a child remains under the jurisdiction of the court, a cause may be terminated or an order may be amended or supplemented, within the authority granted to the court in section 18 of this chapter, at any time as the court considers necessary and proper. An amended or supplemented order shall be referred to as a "supplemental order of disposition". If the family independence agency becomes aware of additional abuse or neglect of a child who is under the jurisdiction of the court and that abuse or neglect is substantiated as provided in the child protection law, 1975 PA 238, MCL 722.621 to 722.638, the department shall file a supplemental petition with the court.

(2) Except as otherwise provided in this section, if a child is placed in foster care, the cause shall be reheard not more than 182 days after entry of the order of disposition. The showing shall be recorded stenographically at a hearing held by the judge or referee. If the child remains in foster care in the temporary custody of the court following the hearing, the cause shall be further reheard not more than 182 days after the hearing. In conducting the review hearing, the court shall review the performance of the child, the child's parent, guardian, or custodian, the juvenile worker, and other persons providing assistance to the child and his or her family.

(3) Except as otherwise provided in subsection (4), if, in a proceeding under section 2(b) of this chapter, a child is placed and remains in foster care, a review hearing shall be held not more than 91 days after entry of the order of disposition and every 91 days after that so long as the child is subject to the jurisdiction, control, or supervision of the court, or of the Michigan children's institute or other agency. Upon motion by any party or in the court's discretion, a review hearing may be accelerated to review any element of the case service plan prepared pursuant to section 18f of this chapter.

(4) If a child is in a permanent foster family agreement or if a child is placed with a relative and the placement is intended to be permanent, the court shall hold a review hearing not more than 182 days after a permanency planning hearing held pursuant to section 19a of this chapter and every 182 days after that so long as the child is subject to the jurisdiction, control, or supervision of the court, or of the Michigan children's institute or other agency. Upon the motion of any party or at the court's discretion, a review hearing may be accelerated to review any element of the case service plan prepared pursuant to section 18f of this chapter.

(5) Written notice of a review hearing under subsection (2), (3), or (4) shall be served upon all of the following:

- (a) The agency. The agency shall advise the child of the hearing if the child is 11 years of age or older.
- (b) The foster parent or custodian of the child.
- (c) If the parental rights to the child have not been terminated, the child's parents.
- (d) If the child has a guardian, the guardian for the child.
- (e) If the child has a guardian ad litem, the guardian ad litem for the child.
- (f) If tribal affiliation has been determined, the elected leader of the Indian tribe.
- (g) The attorney for the child, the attorneys for each party, and the prosecuting attorney if the prosecuting attorney has appeared in the case.
- (h) If the child is 11 years of age or older, the child.
- (i) Other persons as the court may direct.

(6) At a review hearing under subsection (2), (3), or (4), the court shall review on the record all of the following:

(a) Compliance with the case service plan with respect to services provided or offered to the child and the child's parent, guardian, or custodian and whether the parent, guardian, or custodian has complied with and benefited from those services.

(b) Compliance with the case service plan with respect to parenting time with the child. If parenting time did not occur or was infrequent, the court shall determine why parenting time did not occur or was infrequent.

(c) The extent to which the parent complied with each provision of the case service plan, prior court orders, and an agreement between the parent and the agency.

(d) Likely harm to the child if the child continues to be separated from the child's parent, guardian, or custodian.

(e) Likely harm to the child if the child is returned to the child's parent, guardian, or custodian.

(7) After review of the case service plan, the court shall determine the extent of progress made toward alleviating or mitigating the conditions that caused the child to be placed in foster care or that caused the child to remain in foster care. The court may modify any part of the case service plan including, but not limited to, the following:

(a) Prescribing additional services that are necessary to rectify the conditions that caused the child to be placed in foster care or to remain in foster care.

(b) Prescribing additional actions to be taken by the parent, guardian, or custodian to rectify the conditions that caused the child to be placed in foster care or to remain in foster care.

(8) At a review hearing under subsection (2), (3), or (4), the court shall determine the continuing necessity and appropriateness of the child's placement and shall order the return of the child to the custody of the parent, continue the dispositional order, modify the dispositional order, or enter a new dispositional order.

(9) If in a proceeding under section 2(b) of this chapter a child is placed in foster care, the court shall determine at the dispositional hearing and each review hearing whether the cause should be reviewed before the next review hearing required by subsection (2), (3), or (4). In making this determination, the court shall consider at least all of the following:

(a) The parent's ability and motivation to make necessary changes to provide a suitable environment for the child.

(b) Whether there is a reasonable likelihood that the child may be returned to his or her home prior to the next review hearing required by subsection (2), (3), or (4).

(10) Unless waived, if not less than 7 days' notice is given to all parties prior to the return of a child to the child's home, and no party requests a hearing within the 7 days, the court may issue an order without a hearing permitting the agency to return the child to the child's home.

(11) An agency report filed with the court shall be accessible to all parties to the action and shall be offered into evidence. The court shall consider any written or oral information concerning the child from the child's parent, guardian, custodian, foster parent, child caring institution, relative with whom a child is placed, attorney, lawyer-guardian ad litem, or guardian ad litem, in addition to any other evidence, including the appropriateness of parenting time, offered at the hearing.
