## PAROLE CONDITIONS; PROTECTIVE ORDERS

House Bill 4714

Sponsor: Rep. Andrew Richner

Committee: Criminal Law and Corrections

Complete to 9-30-99

### A SUMMARY OF HOUSE BILL 4714 AS INTRODUCED 5-19-99

The bill would amend the Department of Corrections act to require the department to enter certain information into the Corrections Management Information System, accessible by the Law Enforcement Information Network (LEIN). Specifically, if a parole order contains a condition intended to protect one or more named persons, those provisions of the parole order would have to be entered into the system. Further, if the parole board revoked a parole order containing such a provision, the department would have to immediately remove from the system the provisions of that parole order.
