FY 1998-99 Year-to-Date Gross Appropriation \$0

Changes from FY 1998-99 Year-to-Date:

Items Included by the Senate and House

- | | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| 1. Executive Order 1999-1. Pending the approval of Executive Order 1999-1, the Michigan Jobs Commission will be divided into two separate entities. All of the economic development programs will transfer into the Strategic Fund, which will transfer to the Department of Management and Budget as an autonomous agency. The workforce development programs will transfer into the new Department of Career Development. The Michigan Jobs Commission will then be abolished. | 451,804,300 |
| 2. Other Changes. | (9,160,600) |
| 3. Employment and Training for Food Stamp Recipients. Under this U.S. Department of Agriculture program, states are required to provide funding for services for these recipients. The Governor recommended using private oil overcharge settlement revenue to pay for the cost of providing these services. The Senate concurred. | 250,000 |
| 4. School-to-Work. FY1998-99 was the final year of this five year Federal grant. The Governor recommended a reduction in spending authority to phase-out this program, and eliminating the \$100,000 GF/GP funding. The Senate concurred. | (8,083,300) |
| 5. Michigan Community Service Commission. The Governor recommended a GF/GP increase for the administrative costs associated with the America's Promise Program. The Senate concurred. | 100,000 |

Conference Agreement on Items of Difference

- | | |
