Senate Bill 271 (as introduced 2-4-99)

Sponsor: Senator Bill Schuette

Committee: Economic Development, International Trade and Regulatory Affairs

Date Completed: 11-28-00

CONTENT

The bill would amend Public Act 566 of 1978, which prohibits the holding of incompatible public offices, to permit a public officer or public employee of a city, village, township, school district, community college district, or county to serve as a member of the board of a brownfield redevelopment authority.

Under the Act, except as otherwise provided, a public officer or public employee may not hold two or more incompatible offices at the same time. The Act specifies that this does not prohibit a public officer or public employee from serving on the board of a tax increment finance authority, downtown development authority, or local development finance authority.

("Public officer" means a person who is elected or appointed to an office established by the State Constitution; a public office of a city, village, township, or county in this State; or a department, board, agency, institution, commission, authority, division, council, college, university, school district, intermediate school district, special district, or other public entity of this State or a city, village, township, or county in this State. "Public employee" means an employee of this State, an employee of a city, village, township, or county of this State, or an employee of a department, board, agency, institution, commission, authority, division, council, college, university, school district, intermediate school district, special district, or other public entity of this State or of a city, village, township, or county in this State.)
