CONTENT

The bill would amend the Michigan Vehicle Code to prohibit a vehicle from being parked in a clearly identified access aisle or access lane immediately adjacent to a space designated for parking by persons with disabilities, or on a street or other area open to vehicle parking that resulted in the vehicle interfering with the use of a curb-cut or ramp by persons with disabilities. If a vehicle were located in a clearly identified access aisle or access lane immediately adjacent to a space designated as parking for persons with disabilities, or if a vehicle were interfering with the use of a ramp or a curb-cut by persons with disabilities, then a police agency or a governmental agency designated by the police could immediately remove the vehicle from public or private property to a place of safekeeping at the expense of the vehicle's registered owner.
