PROVISIONS CONCERNING APPROPRIATIONS FOR FISCAL YEAR 1999-2000

3

**GENERAL SECTIONS**

4

Sec. 201. (1) Pursuant to section 30 of article IX of the state constitution of 1963, total state spending from state sources for fiscal year 1999-2000 is estimated at \$295,708,579.00 in this bill and state spending from state sources paid to local units of government for fiscal year 1999-2000 is estimated at \$295,708,579.00.

9

(2) If it appears to the principal executive officer of a department or branch that state spending to local units of government will be less than the amount that was projected to be expended under subsection (1), the principal executive officer shall immediately give notice of the approximate shortfall to the state budget director.

14

Sec. 202. The expenditures and funding sources authorized under this act and the departments, agencies, commissions, boards, offices, and programs for which an appropriation is made under this act are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

18

Sec. 203. (1) The sums appropriated in this act are appropriated for community colleges with fiscal years ending June 30, 2000 and shall be paid out of the state treasury and distributed by the state treasurer to the respective community colleges in 11 monthly installments on the sixteenth of each month, or the next succeeding business day, beginning with October 16, 1999. Each community college shall accrue its July and August 2000 payments to its institutional fiscal year ending June 30, 2000. However, if a community college fails to submit all verified Michigan community colleges activities classification structure data for school year 1998-99 to the department of education by November 1, 1999,

**HB 4298, As Passed Senate, May 27, 1999**

House Bill No. 4298

5

1 the monthly installments shall be withheld from that community college  
2 until those data are submitted. The department of education shall pub-  
3 lish the activities classification structure data book for Michigan com-  
4 munity colleges on or before March 1, 2000 for use by the legislature  
5 during budget development for the fiscal year ending September 30, 2001.  
6 The amount from the funds appropriated in part 1 that is allocated under  
7 section 103 to address the special needs of at-risk students shall be  
8 paid in full by the state treasurer by November 1, 1999. The amount dis-  
9 tributed to a community college or department shall not exceed the net  
10 state allocation authorized by this act.

11 (2) Except as otherwise provided by law, each of the amounts appro-  
12 priated shall be used solely for the respective purposes stated in this  
13 act. The funds appropriated by this act may be used to match the cost of  
14 any available programs under the Carl D. Perkins vocational and applied  
15 technology education act, Public Law 88-210, 98 Stat. 2435, including  
16 local administration.

18 ing firm appointed by the auditor general shall audit data for the fiscal  
19 year ending on June 30, 1999 as submitted on the department of education  
20 request forms of 7 randomly selected community colleges. A community  
21 college shall maintain and provide those records necessary for the audi-  
22 tor general or certified public accountant appointed by the auditor gen-  
23 eral to determine the accuracy of the reported data. The audits shall be  
24 based upon the definitions and requirements contained in the Manual for  
25 Uniform Financial Reporting, Michigan Public Community Colleges, pub-  
26 lished by the Michigan state board of education in 1981, and the

2 classification structure task force (July 1981), published by the depart-  
3 ment of education and the department of management and budget. Before  
4 the submission of a final audit report, a community college may appeal

7 report of the findings to the house and senate appropriations committees,

11 by the auditor general shall conduct not less than 3 performance audits  
12 of community colleges but may conduct more if the auditor general consid-  
13 ers it necessary.

14 (3) Not more than 60 days after an audit report is released by the  
15 office of the auditor general, the principal executive officer of the  
16 community college that was audited shall submit to the house and senate  
17 appropriations committees, the house and senate fiscal agencies, the  
18 department of education, the auditor general, and the department of man-  
19 agement and budget a plan to comply with audit recommendations. The plan  
20 shall contain projected dates and resources required, if any, to achieve  
21 compliance with the audit recommendations, or a documented explanation of  
22 the college's noncompliance with the audit recommendations concerning the  
23 matters on which the audited community college and office of the auditor  
24 general disagree.

25 (4) A community college whose audited activities classification  
26 structure data is significantly different than the data used to determine

12 education and the department of management and budget.

13       Sec. 206. (1) A community college shall retain certified class sum-  
14 maries, class lists, registration documents, and student transcripts that

18 and contact hours. The class summaries and class lists shall be consis-  
19 tent with each other and shall include the course prefix and numbers,  
20 course title, course credit and contact hours, credit and contact hours  
21 generated by each student, and activity classifications consistent with  
22 the taxonomy. An auditable process shall be used by the community col-

23 more than 1 retirement fund providing benefits for an employee.

24 Sec. 209. An appropriation contained in this act shall not be used

## 1 STATE AID - OPERATIONS

2       Sec. 301. Unless otherwise stated, all data items used in determin-  
3 ing state aid in this act are as defined in the Manual for Uniform  
4 Financial Reporting, Michigan Public Community Colleges, published by the  
5 Michigan state board of education in 1981, which shall be the basis for  
6 reporting data, and the Activities Classification Structure Manual for  
7 Michigan Community Colleges, 1996 revision of the final report of the  
8 activities classification structure task force (July 1981), published by  
9 the department of education and the department of management and budget,  
10 which shall be used to document financial needs of the community  
11 colleges.

12       Sec. 302. A community college shall not include in the enrollment  
13 report any student credit hours or student contact hours for a student  
14 incarcerated in a Michigan penal institution. Exclusion of these stu-  
15 dents is intended to avoid the payment of state aid under this act for  
16 the same individuals for whom reimbursement is provided by the state  
17 correctional system.

## 18 GRANTS

19       Sec. 401. (1) The community college at-risk student success program  
20 is continued. The funding shall be prorated among community colleges  
21 based on the number of student contact hours for developmental and prepa-  
22 ratory instruction reported by each community college to the department  
23 of education for use in the Activities Classification Structure Manual  
24 for Michigan Community Colleges, 1996 revision of the final report of the  
25 activities classification structure task force (July 1981), published by

**HB 4298, As Passed Senate, May 27, 1999**

House Bill No. 4298

15

1 the department of education and the department of management and budget.  
2 Of the amount appropriated in part 1 for the at-risk student success pro-  
3 gram, \$1,120,000.00 is allocated for base grants of \$40,000.00 each, to  
4 address the special needs of at-risk students at community colleges or  
5 the acquisition or upgrade of technology related equipment and software.

6 (2) Of the amount appropriated in part 1 for the at-risk student  
7 success program, the balance of the appropriated funds shall be distrib-  
8 uted on a proration utilizing the sum of the most recent 3 years  
9 developmental/preparatory contact hours divided by the sum of the 3-year  
10 total contact hours at each college. Each community college's percentage  
11 shall be divided by the sum of all such percentages systemwide to obtain  
12 each community college's prorated grant amount.

13 (3) For the fiscal year ending September 30, 2000, the at-risk stu-  
14 dent success program money is allocated as follows:
