9 (2) If it appears to the principal executive officer of each depart-
10 ment that state spending to local units of government will be less than
11 the amount that was projected to be expended under subsection (1), the
12 principal executive officer shall immediately give notice of the approxi-
13 mate shortfall to the department of management and budget, the senate and
14 house of representatives appropriations committees, and the senate and
15 house fiscal agencies.

16 Sec. 202. The appropriations made and the expenditures authorized
17 under this act are subject to the management and budget act, 1984 PA 431,
18 MCL 18.1101 to 18.1594.

- 22 Sec. 204. (1) Beginning October 1, 1999, a hiring freeze is imposed
23 on the state classified civil service. State departments and agencies
24 are prohibited from hiring any new full-time state classified civil serv-
25 ice employees or prohibited from filling any vacant state classified
26 civil service positions. This hiring freeze does not apply to internal
27 transfers of classified employees from 1 position to another within a

SB0364, As Passed House, May 27, 1999

Senate Bill No. 364

20

1 department or to positions that are funded with 80% or more federal or
2 restricted funds.

3 (2) The state budget director shall grant exceptions to this hiring
4 freeze when the director believes that such a hiring freeze will result
5 in rendering a state department or agency unable to deliver basic
6 services. The state budget director shall report by the fifteenth of
7 each month to the chairpersons of the senate and house appropriations
8 committees the number of exclusions to the hiring freeze approved during
9 the previous month and the justification for each exclusion.

10 Sec. 205. The department of civil service shall bill the department
11 at the end of the first fiscal quarter for the 1% charges authorized by
12 section 5 of article XI of the state constitution of 1963. Payments
13 shall be made for the total amount of the billing by the end of the
14 second fiscal quarter.

15 Sec. 206. (1) From funds appropriated under part 1, the department
16 shall prepare a report that lists all of the following regarding grant or
17 loan or grant and loan programs administered by the department for the
18 fiscal year ending on September 30, 2000:

19 (a) The name of each program.

20 (b) The goals of the program, the criteria, eligibility, process,
21 filing fees, nominating procedures, and deadlines for each program.

22 (c) The maximum and minimum grant and loan available and whether
23 there is a match requirement for each program.

24 (d) The amount of any required match, and whether in-kind contribu-
25 tions may be used as part or all of a required match.

26 (e) Information pertaining to the application process, timeline for
27 each program, and the contact people within the department.

SB0364, As Passed House, May 27, 1999

Senate Bill No. 364

21

1 (f) The source of funds for each program, including the citation of
2 pertinent authorizing acts.

3 (g) Information regarding plans for the next fiscal year for the
4 phaseout, expansion, or changes for each program.

5 (h) A listing of all recipients of grants or loans awarded by the
6 department by type and amount of grant or loan.

7 (2) The reports required under this section shall be submitted to
8 the senate and house of representatives appropriations committees and
9 senate and house fiscal agencies by January 1, 2001.

10 Sec. 207. (1) In addition to the funds appropriated in part 1,
11 there is appropriated an amount not to exceed \$30,000,000.00 for federal
12 contingency funds. These funds are not available for expenditure until
13 they have been transferred to another line item in this bill pursuant to
14 section 393(2) of the management and budget act, 1984 PA 431,
15 MCL 18.1393.

16 (2) In addition to the funds appropriated in part 1, there is appro-
17 priated an amount not to exceed \$5,000,000.00 for state restricted con-
18 tingency funds. These funds are not available for expenditure until they
19 have been transferred to another line item in this bill pursuant to sec-
20 tion 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

21 (3) In addition to the funds appropriated in part 1, there is appro-
22 priated an amount not to exceed \$100,000.00 for local contingency funds.
23 These funds are not available for expenditure until they have been trans-
24 ferred to another line item in this bill pursuant to section 393(2) of
25 the management and budget act, 1984 PA 431, MCL 18.1393.

26 (4) In addition to the funds appropriated in part 1, there is
27 appropriated an amount not to exceed \$100,000.00 for private contingency

1 funds. These funds are not available for expenditure until they have
2 been transferred to another line item in this bill pursuant to section
3 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

4 Sec. 208. The department shall provide the state budget director,
5 the subcommittees on natural resources and environmental quality of the
6 house and senate appropriations committees, and the senate and house
7 fiscal agencies with an annual report on restricted fund balances,
8 projected revenues, and expenditures.

9 Sec. 209. The department shall provide an annual report on the
10 total amount of funds received from responsible parties and legal settle-
11 ments, and the disposition of these funds. Included in the report shall
12 be a listing of the individual settlement cases, the location of the
13 facilities involved, the type of violation committed, and the amount of
14 funds received.

15 Sec. 210. (1) In addition to the funds appropriated for the envi-
16 ronmental cleanup and redevelopment program listed in section 111, the
17 department of environmental quality is authorized to expend amounts
18 remaining from prior fiscal year appropriations to meet funding needs of
19 legislatively approved sites.

20 (2) Unexpended and unencumbered amounts remaining from appropria-
21 tions from the environmental protection bond fund contained in 1989
22 PA 180, 1990 PA 55, 1990 PA 194, 1991 PA 31, 1991 PA 160, 1993 PA 74,
23 1993 PA 353, 1994 PA 442, 1996 PA 353, and 1997 PA 114 are appropriated
24 for expenditure for any site listed in this act and any site listed in
25 the public acts referenced in this section.

26 (3) Unexpended and unencumbered amounts remaining from
27 appropriations from the cleanup and redevelopment fund and unclaimed

1 bottle deposits fund contained in 1996 PA 319, 1997 PA 113, 1997 PA 114,
2 and 1998 PA 292 are appropriated for expenditure for any site listed in
3 this act and any site listed in the public acts referenced in this
4 section.

5 (4) The department shall provide an annual report by March 1, 2000
6 to the state budget director, the house and senate appropriations subcom-
7 mittees on environmental quality, and the house and senate fiscal agen-
8 cies that separately identifies the expenditures authorized by this sec-
9 tion from the revenues available from the environmental bond fund, the
10 unclaimed bottle deposit fund, the environmental response fund, and the
11 cleanup and redevelopment fund. The report shall include the total
12 amount of funds expended during the fiscal year and the amount of funds
13 awaiting expenditure for environmental cleanup from the environmental
14 protection bond appropriations, cleanup and redevelopment fund appropria-
15 tions, environmental response fund appropriations, and general fund
16 appropriations. The report shall include an estimate of when these funds
17 will be used for the purpose intended.

18 (5) The department shall focus increased activity on completion of
19 previously appropriated projects.

20 Sec. 211. (1) The department shall notify the legislature and offer
21 a public meeting and public comment opportunity with respect to any
22 request received by the state of Michigan to divert water from the Great
23 Lakes pursuant to the water resources development act of 1986, Public Law
24 99-665, 100 Stat. 4082.

25 (2) By September 30, 2000, the department shall prepare and submit
26 to the governor and legislature a report on anticipated Great Lakes water
27 diversions in the twenty-first century and recommendations on a research

SB0364, As Passed House, May 27, 1999

Senate Bill No. 364

24

1 program and other measures needed to evaluate the impact of proposed
2 Great Lakes water diversions. The report shall also contain recommenda-
3 tions on appropriate state and federal policy and legislation needed to
4 prevent or minimize, or both, the adverse impacts of new and increased
5 Great Lakes water diversions, including proposals to draw water from the
6 Great Lakes for commercial shipment outside the Great Lakes basin.

7 Sec. 212. All reports required in this act shall be made available
8 to the public primarily through Internet access, unless a printed version
9 is requested. The department shall provide electronic notification to
10 all legislative offices for specific reports requested by the
11 legislature.

12 Sec. 213. Funds appropriated in part 1 shall not be used for the
13 purchase of foreign goods or services, or both, if competitively priced
14 American goods or services, or both, of comparable quality are
15 available. By May 1, 2000, the department shall submit a report to the
16 state budget director, the speaker and minority leader of the house of
17 representatives, the majority and minority leaders of the senate, the
18 chairpersons of the house and senate appropriations committees, and the
19 house and senate fiscal agencies on efforts to comply with this section.

20 Sec. 214. (1) In the expenditure of funds appropriated under this
21 act, the director of the department shall take all reasonable steps to
22 ensure that businesses in deprived and depressed communities compete for
23 and perform contracts to provide services or supplies, or both, for the
24 department.

25 (2) The director of the department shall strongly encourage firms
26 with which the department contracts to subcontract with businesses

Sub. S.B. 364 (H-1) as amended May 27, 1999 25

1 certified by the department of civil rights in depressed and deprived
2 communities for services or supplies, or both.

3 Sec. 215. Sixty days before beginning any effort to privatize, the
4 department shall submit a complete project plan to the appropriate house
5 and senate appropriations subcommittees and the house and senate fiscal
6 agencies. The plan shall include the criteria under which the privatiza-
7 tion initiative will be evaluated. The evaluation shall be completed and
8 submitted to the appropriate house and senate appropriations subcommit-
9 tees and the house and senate fiscal agencies [30 days prior to renewing
the contract or extending the privatization initiative. No privatization
program shall extend beyond 36 months unless the department has determined,
in writing, that the program has demonstrated at least measurable savings
and has maintained quality of service or has documented a measurable
improvement in the quality of the product delivered or service performed.
If the term of privatization program is less than 36 months, but longer
than 12 months, the department shall make this determination before
extending the contract or initiative beyond its term.]

10 Sec. 216. (1) The department of management and budget and each
11 principal executive department and agency shall provide to the senate and
12 house of representatives standing committees on appropriations and the
13 senate and house fiscal agencies a monthly report on all personal service
14 contracts awarded without competitive bidding, pricing, or rate setting.
15 The notification shall include all of the following:

- 16 (a) The total dollar amount of the contract.
17 (b) The duration of the contract.
18 (c) The name of the vendor.
19 (d) The type of service to be provided.

20 (2) For personal service contracts of \$100,000.00 or more, the
21 department of management and budget shall provide a monthly report on all
22 of the following:

- 23 (a) The total dollar amount of the contract.
24 (b) The duration of the contract.
25 (c) The name of the vendor.
26 (d) The type of service to be provided.

SB0364, As Passed House, May 27, 1999

Senate Bill No. 364

26

1 (3) The department of management and budget shall provide a monthly
2 listing of all bid requests or requests for proposal that were issued.

3 (4) Each principal executive department and agency shall provide a
4 monthly summary listing of information that identifies any authorizations
5 for personal service contracts that are provided to the department of
6 civil service pursuant to delegated authority granted to each principal
7 executive department and agency related to personal service contracts.

8 Sec. 217. If a department enters into a personal services contract
9 with any temporary service agency or similar contractor that hires or
10 subcontracts with a person who retired from employment in the department
11 under the early retirement program under section 19f of the state
12 employees' retirement act, 1943 PA 240, MCL 38.19f, the retired state
13 employee shall be limited to 500 hours for professional, technical, or
14 clerical services and 250 hours for management services. This limitation
15 does not apply to computer technology services. This provision only
16 applies during a 24-month period after the date of retirement. This sec-
17 tion applies to each principal executive department and agency.

18 Sec. 219. Of the money appropriated from the environmental educa-
19 tion fund in section 102, \$5,000.00 shall be allocated to Michigan State
20 University Extension Service - 4H Youth Programs to fund the Michigan
21 Youth Conservation Council.

22 Sec. 220. The department shall provide a report prepared by the
23 department's internal auditor for the prior fiscal year. This report
24 shall include a listing of each audit or investigation performed by the
25 internal auditor pursuant to sections 486(4) and 487 of the management
26 and budget act, 1984 PA 431, MCL 18.1486 and 18.1487. The report shall
27 identify the proportion of time spent on each of the statutory

SB0364, As Passed House, May 27, 1999

Senate Bill No. 364

27

1 responsibilities described in sections 485(4), 486(4), and 487 of the
2 management and budget act, 1984 PA 431, MCL 18.1485, 18.1486, and
3 18.1487, and the time spent on all other activities performed in the
4 internal audit function. The first report is due March 1, 2000, and
5 beginning on May 1, 2002, biennially thereafter. The reports shall be
6 submitted to the governor, auditor general, the senate and house appro-
7 priations committees, the senate and house fiscal agencies, and the
8 director.

9 Sec. 221. The department shall receive and retain copies of all
10 reports funded from part 1 appropriations.

11 Sec. 223. The state budget director shall provide a list of pro-
12 posed work projects funded, in whole or in part, from appropriations in
13 this act to the house and senate appropriations committees on
14 November 15, 1999. This list shall provide detailed information includ-
15 ing a description of project activities and services, the total work
16 project funding level, spending for the fiscal year ending September 30,
17 1999, and the amount of budget authority required to complete the
18 project.

19 Sec. 224. Prior to awarding a grant, loan, or technical assistance,
20 the department shall consider the impact of this grant, loan, or techni-
21 cal assistance on urban redevelopment and existing public utilities and
22 infrastructure. Information on such impacts shall be integrated with the
23 annual reporting required in part 196 of the natural resources and envi-
24 ronmental protection act, 1994 PA 451, MCL 324.19601 to 324.19616. The
25 department shall encourage cooperation and coordination between local,
26 regional, and state jurisdictions. State projects and local grants
27 funded through state or federal funds shall consider compatibility of

SB0364, As Passed House, May 27, 1999

Senate Bill No. 364

28

1 such projects with local comprehensive plans and zoning ordinances of the
2 jurisdictions in which such projects are located.

3 Sec. 225. A joint legislative work group on court settlements is
4 established. This work group shall consist of representatives of the
5 house and senate standing committees and the house and senate appropria-
6 tions subcommittees on natural resources and environmental quality.
7 Members shall be appointed on a bipartisan basis by the speaker of the
8 house of representatives and the senate majority leader. Assistance and
9 staff support to the work group may be provided by the house and senate
10 fiscal agencies. The work group shall issue a report on February 1, 2000
11 to the members of the legislature that includes a strategy for disbursing
12 settlement revenue to impacted local governmental units in a manner con-
13 sistent with court settlement agreements.

14 Sec. 226. The department shall prepare, with the department of nat-
15 ural resources, a transition plan for the future operation of the
16 Michigan natural features inventory program. The plan shall provide for
17 the orderly and effective assumption of responsibility for inventory
18 activities, including, but not limited to, the survey, research, and doc-
19 umentation of the biological resources of the state. The plan shall
20 ensure that an integrated, complete, and current record of information
21 developed from this inventory program will be available to researchers
22 and the general public.

23 Sec. 227. The department and the department of management and
24 budget shall submit plans for the implementation of the clean Michigan
25 initiative to the legislature. The plans shall be referred to the house
26 and senate appropriations committees for consideration. Any

SB0364, As Passed House, May 27, 1999

Senate Bill No. 364

29

1 appropriation for implementation of the clean Michigan initiative shall
2 be approved by the legislature through the enactment of legislation.

3 AIR QUALITY

4 Sec. 301. From the funds appropriated in section 107, the depart-
5 ment shall report on the status of implementation planning and permit
6 backlog reduction activities under part 55 of the natural resources and
7 environmental protection act, 1994 PA 451, MCL 324.5501 to 324.5542,
8 including status of revenue collections, on an annual basis. The report
9 shall be provided to the house of representatives and senate appropria-
10 tions subcommittees on environmental quality, the standing committees of
11 the house of representatives and the senate that are responsible for
12 issues pertaining to air quality, and the governor on or before March 1,
13 2000.

14 SURFACE WATER QUALITY

15 Sec. 401. Of the funds appropriated in section 108 for surface
16 water surveillance, a minimum of \$250,000.00 shall be designated for
17 grants to local organizations for water quality monitoring activities.

18 Sec. 402. The department shall submit to the house and senate
19 appropriations committees a report of those local public health agencies
20 which perform testing of public bathing beaches in their jurisdictions
21 between January 1, 1999 and December 31, 1999. The report shall indicate
22 the number, frequency, types of tests performed and corresponding test
23 results that resulted in the number of beach closures or beach

SB0364, As Passed House, May 27, 1999

Senate Bill No. 364

30

1 advisories, or both, and shall be submitted by March 31, 2000. The beach
2 closures and beach advisories shall be posted electronically for public
3 review. The report shall provide for cost estimates and other recommen-
4 dations regarding the establishment of a comprehensive right-to-know
5 electronic database containing accurate and timely information accessible
6 to the public on the quality and safety of public bathing beaches.

7 DRINKING WATER

8 Sec. 501. Not later than September 30, 2000, the department, work-
9 ing with the legislature, shall develop and implement a laboratory
10 accreditation program that conforms with the national environmental labo-
11 ratory accreditation program.

12 Sec. 502. The department shall provide quarterly reports to the
13 legislature on the revenues received and expenditures made by the drink-
14 ing water and environmental units within the laboratory services appro-
15 priation line. The information shall include the types of tests con-
16 ducted, the number of tests conducted at no charge, and the allocation of
17 the general fund appropriation for each unit.

18 ENVIRONMENTAL RESPONSE

19 Sec. 601. From the appropriations in part 1 for the environmental
20 cleanup and redevelopment program under part 201 of the natural resources
21 and environmental protection act, 1994 PA 451, MCL 324.20101 to
22 324.20142, the department shall continue to make authorizations for

SB0364, As Passed House, May 27, 1999

Senate Bill No. 364

1 ENVIRONMENTAL ASSISTANCE

2 Sec. 801. With funds appropriated in section 114, the department
3 shall implement a community right-to-know project to facilitate conven-
4 ient public access to information about the performance of individual
5 facilities in complying with requirements of air, surface water, waste
6 management, storage tank, and environmental response programs, and with
7 any permits issued pursuant to these programs. The project shall also
8 facilitate convenient public access to information about the overall
9 quality of Michigan's air, water, groundwater, and drinking water and the
10 generation of municipal solid waste and regulated hazardous waste. In
11 implementing this section, the department shall consult with interested
12 stakeholders on a periodic basis, including, but not limited to, indus-
13 trial and environmental group representatives. By September 30, 2000,
14 the department shall report to the legislature on the status of efforts
15 to coordinate databases and to communicate this information to citizens,
16 and shall make recommendations on any legislation or appropriations
17 needed to complete this project.

18 Sec. 802. Of the funds appropriated in section 114 for environmen-
19 tal services, \$300,000.00 is for the Michigan RETAP program to initiate a
20 pilot project with public universities to focus on assessment of hazard-
21 ous materials use and training of personnel at small and medium sized
22 businesses. The program shall include internship opportunities for stu-
23 dents with professionals who evaluate business environments for materials
24 handling, production efficiencies, and waste reduction processes.
25 Overhead costs assigned to the project from participating universities
26 shall not exceed 20% of the project total.

SB0364, As Passed House, May 27, 1999

Sub. S.B. 364 (H-1) as amended May 27, 1999 39

1 Sec. 803. The appropriation in section 114 for low income community
2 wastewater assistance shall be provided to the Michigan community action
3 agency association. This appropriation would enable the association to
4 expand rural community assistance program services to all Michigan
5 counties.

[Sec. 804. The appropriation in section 114 may be used to assist
deprived and depressed communities in assessing access and cost of drinking
water to residential and commercial water users.]

6 CRIMINAL INVESTIGATIONS

7 Sec. 901. The department shall provide training in support of local
8 efforts to regulate solid waste disposal. Department environmental con-
9 servation officers shall be directed to help train law enforcement offi-
10 cers and other enforcement personnel to develop community partnerships to
11 combat illegal dumping at the local level.

12 Sec. 902. Of the funds appropriated in section 115 for criminal
13 investigations, 2.0 FTEs and \$115,000.00 are designated primarily for
14 inspections of incoming out-of-state waste, but can also be made avail-
15 able for other criminal investigation activities.

16 GRANTS

17 Sec. 1001. If a certified health department does not exist in a
18 city, county, or district or does not fulfill its responsibilities under
19 part 117 of the natural resources and environmental protection act, 1994
20 PA 451, MCL 324.11701 to 324.11719, then the department may spend funds
21 appropriated in section 116 under the septage waste compliance program in
22 accordance with section 11716 of the natural resources and environmental
23 protection act, 1994 PA 451, MCL 324.11716.

SB0364, As Passed House, May 27, 1999

Sub. S.B. 364 (H-1) as amended May 27, 1999 40

1 Sec. 1002. Loans provided by the water pollution control revolving
2 fund pursuant to the appropriation in section 116 are to be repaid on
3 schedule and penalties shall be assigned for delinquent repayment as pro-
4 vided in part 53 of the natural resources and environmental protection
5 act, 1994 PA 451, MCL 324.5301 to 324.5316.

6 Sec. 1003. Of the funds appropriated in section 116 for Great Lakes
7 research and protection fund grants, the department shall designate
8 \$100,000.00 for research on the adequacy of department standards to pro-
9 tect children's health. The department shall recommend changes in air,
10 water, and waste standards in a report to the legislature to promote the
11 protection of Michigan children from environmental pollution. This
12 report shall be provided to the house and senate appropriations subcom-
13 mittees on environmental quality and the house and senate fiscal agencies
14 by September 30, 2000.

15 Sec. 1004. Of the money appropriated in section 116 for scrap tire
16 grants, \$100,000.00 shall be allocated to Benzie County for mitigating
17 the costs associated with scrap tire fire suppression.

[Sec. 1005. The department shall make a request for proposals to
solicit applications for grants pursuant to 1996 PA 384, M.C.L. 445.573f,
the community pollution prevention fund. Grant recipients shall provide a
financial match of at least 25% as provided by law.]

18 LAND AND WATER MANAGEMENT

19 Sec. 1101. (1) The department shall not collect Great Lakes bottom
20 land permit fees from a noncommercial owner of a dock or wharf located in
21 a coastal waterway.

22 (2) The department shall prepare a plan to collect these fees uni-
23 formly and fairly from commercial and noncommercial users of the Great
24 Lakes bottom lands. The plan prepared by the department shall be

SB0364, As Passed House, May 27, 1999

Senate Bill No. 364

41

1 presented to the house and senate appropriations committees by May 1,
2 2000.

3 (3) If this plan is not presented by May 1, 2000, commercial and
4 noncommercial users are exempt from the Great Lakes bottom land permit
5 fees.
