21 employees for purposes of service credits, retirement, and insurance
22 benefits.

23 Sec. 602. For each student enrolled at the Michigan schools for the
24 deaf and blind, the department shall assess the intermediate school
25 district of residence 100% of the cost of operating the student's
26 instructional program. The amount shall exclude room and board related
27 costs and the cost of weekend transportation between the school and the
28 student's home.

29 Sec. 603. (1) The department may assess rent to any state
30 government agency for the use of facilities at the Michigan school for
31 the blind's former site in Lansing. The rental rates and all leasing
32 arrangements shall be subject to the approval of the department of
33 management and budget. In addition, the facilities at the Lansing site
34 may also be available for rent to private or publicly funded
35 organizations.

1 (2) In addition to those funds appropriated in part 1, the
2 department may receive and expend additional funds from lease
3 agreements at the Michigan school for the blind's former site in
4 Lansing that have been negotiated with the approval of the department

7 associated with the leased space.

8 (3) The unexpended balances of appropriations and any surplus
9 restricted revenue for Michigan school for the blind's former site in
10 Lansing shall not lapse to the state general fund at the end of the
11 fiscal year. Any unexpended and unencumbered funds remaining on

13 restricted revenue and expended for special maintenance and repairs of
14 facilities at the Michigan school for the blind's former site in

16 contract as necessary, at an estimated cost of \$100,000.00. The
17 estimated completion date of the work is September 30, 2001.

18 Sec. 604. (1) The department may assess rent or lease excess
19 property located on the campus of the Michigan schools for the deaf and
20 blind in Flint to private or publicly funded organizations.

21 (2) In addition to those funds appropriated in part 1, the
22 department may receive and expend additional funds from lease
23 agreements at the Michigan schools for the deaf and blind Flint campus
24 that have been negotiated with the approval of the department of
25 management and budget. These funds are appropriated to the department
26 for the operation, maintenance, and renovation expenses associated with
27 the leased space.

28 (3) Proceeds from the sale of surplus property and facilities at
29 the Michigan schools for the deaf and blind or at camp Tuhsmebeta are
30 hereby appropriated for the purposes of repairs, renovations, and
31 maintenance of the Flint campus.

32 (4) The unexpended balances of appropriations for school for deaf
33 and blind operations, and from proceeds of the sale of surplus property
34 and facilities at the Michigan schools for the deaf and blind and at
35 camp Tuhsmebeta shall not lapse to the state general fund at the end of

1 the fiscal year. Any unexpended and unencumbered funds remaining on
2 September 30, 2000, shall be carried forward as a work project or as
3 restricted revenue and expended for special maintenance and repairs of
4 facilities at the campus of the Michigan schools for the deaf and blind
5 in Flint. The work shall be carried out by state employees, or by
6 contract as necessary, at an estimated cost of \$250,000.00. The
7 estimated completion date of the work is September 30, 2001.

8 Sec. 605. The department may assist the department of community
9 health, other departments, and local school districts to secure
10 reimbursement for eligible services provided in Michigan schools from
11 the federal medicaid program. The department may submit reports of
12 direct expenses related to this effort to the department of community
13 health for reimbursement.

14 **PROFESSIONAL PREPARATION SERVICES**

15 Sec. 701. From the funds appropriated in part 1 for professional
16 preparation services, the department shall maintain the professional
17 personnel register and certificate revocation/felony conviction files.

18 **GRANTS AND DISTRIBUTIONS**

19 Sec. 801. The department shall disburse the funds to a general fund
20 grantee in accordance with the same standards of timing and amount that
21 apply to disbursements made by the department to a federal fund
22 grantee. The disbursement shall be restricted to the minimum amount
23 needed for immediate disbursement by the grantee. The department may
24 waive this section if extenuating circumstances warrant and are
25 substantiated in the grantee's application or other appropriate
26 documentation. A waiver granted pursuant to this section shall not be
27 effective until 15 days after written notice of the proposed waiver is
28 given to the state budget director and the chairpersons of the senate
29 and house appropriations subcommittees having jurisdiction over the
30 department budget.

31 Sec. 802. (1) The funds appropriated in part 1 for school breakfast
32 programs shall be made available to all eligible applicant public
33 school districts and public school academies as follows:

34 (a) The district or public school academy participates in the
35 federal school breakfast program and meets all standards as prescribed

1 by 7 C.F.R. parts 220 and 245.

2 (b) Payment is made for each breakfast served meeting standards
3 prescribed in subdivision (a).

4 (c) The payment for a district or public school academy is at a per
5 meal rate equal to the lesser of the district's or public school
6 academy's actual cost, or 100% of the cost of a breakfast served by an
7 efficiently operated breakfast program as determined by the department,
8 less federal reimbursement, participant payments, and other state
9 reimbursement. Determination of efficient cost by the department shall
10 be determined by using a statistical sampling of statewide and regional
11 cost as reported in a manner approved by the department for the
12 preceding school year.

13 (d) The payment determined under subdivision (c) is prorated if the
14 appropriation in part 1 is not sufficient to fund all payments
15 determined under this section.

16 Sec. 803. (1) The funds appropriated in part 1 for school readiness
17 programs shall be made available through a competitive application
18 process as follows:

19 (a) An applicant may be any public or private nonprofit legal
20 entity or agency other than a local or intermediate school district
21 except a local or intermediate school district acting as a fiscal agent
22 for a child caring organization regulated under 1973 PA 116, MCL
23 722.111 to 722.128.

24 (b) Applications shall be submitted in a form and manner as
25 required by the department.

26 (c) Applications shall be reviewed by a diverse interagency
27 committee composed of representatives of the department, appropriate
28 community, volunteer, and social service agencies and organizations,
29 and parents.

30 (d) Priority in the recommendation for awarding of grants by the
31 state board of education to applicants shall be based upon the
32 following criteria:

33 (i) Compliance with standards for early childhood development
34 consistent with programs for 4-year-olds, as approved by the state
35 board of education.

1 (ii) Active and continuous involvement of the parents or guardians
2 of the children participating in the program.

3 (iii) Employment of teachers possessing proper training in early
4 childhood development, including an early childhood (ZA) endorsement or
5 child development associate, and trained support staff.

6 (iv) Evidence of collaboration with the community of providers in
7 early childhood development programs including documentation of the
8 total number of children in the community who would meet the criteria
9 established in subparagraph (vi), and who are being served by other
10 providers, and the number of children who will remain unserved by other
11 community early childhood programs if this program is funded.

12 (v) The extent to which these funds will supplement other federal,
13 state, local, or private funds.

14 (vi) The extent to which these funds will be targeted to children
15 who will be at least 4, but less than 5, years of age as of December 1
16 of the year in which the programs are offered and who show evidence of
17 2 or more "at-risk" factors as defined in the state board of education
18 report entitled, "Children At Risk" that was adopted by the state board
19 on April 5, 1988.

20 (e) Whether the application contains a comprehensive evaluation
21 plan that includes implementation of all program components required
22 and an assessment of the gains of children participating in an early
23 childhood development program.

24 (f) Applications shall provide for the establishment of a school
25 readiness advisory committee that shall be involved in the planning and
26 evaluation of the program and provides for the involvement of parents
27 and appropriate community, volunteer, and social service agencies and
28 organizations. There shall be on the committee at least 1 parent or
29 guardian of a program participant for every 18 children enrolled in the
30 program, with a minimum of 2 parent or guardian representatives. The
31 committee shall do all of the following:

32 (i) Review the mechanisms and criteria used to determine referrals
33 for participation in the school readiness program.

34 (ii) Review the health screening program for all participants.

35 (iii) Review the nutritional services provided to all participants.

1 (iv) Review the mechanisms in place for the referral of families to
2 community social service agencies, as appropriate.

3 (v) Review the collaboration with and the involvement of
4 appropriate community, volunteer, and social service agencies and
5 organizations in addressing all aspects of education disadvantage.

6 (vi) Review, evaluate, and make recommendations for changes in the
7 school readiness program.

8 (g) More than 50% of the children participating in the program
9 shall meet the income eligibility criteria for free or reduced price
10 lunch, as determined under the national school lunch act, chapter 281,
11 60 Stat. 230, 42 U.S.C. 1751 to 1753, 1755 to 1761, 1762a, 1765 to
12 1766b, and 1769 to 1769h, or meet income and all other eligibility
13 criteria for participation in the Michigan family independence agency
14 unified child day care program.

15 (2) Grant awards by the state board of education may be at whatever
16 level the board determines appropriate. A grant, when combined with
17 other sources of state revenue for this program, shall not exceed
18 \$3,100.00 per child or the cost of the program, whichever is less.

19 (3) Except as otherwise provided, an applicant that received a
20 grant under this section in the 1998-1999 fiscal year shall receive
21 priority for funding in 1999-2000. However, continuation of funding is
22 contingent on the availability of funds and documented evidence of
23 grantee compliance with standards for early childhood development
24 consistent with programs for 4-year-olds, as approved by the state
25 board of education, and with all operational, fiscal, administrative,
26 and other program requirements. After 3 years of funding, a program
27 that received a grant under this section may reapply for funding, but
28 will compete for available funds with other new programs and other
29 programs also completing their third year of funding under this
30 section. A program which offers supplementary day care and thereby
31 offers full-day programs as part of its early childhood development
32 program shall receive priority in the allocation of these competitive
33 funds.

34 Sec. 804. (1) The reading plan for Michigan (RPM) is a series of
35 elementary education strategies created for the purpose of improving

1 reading skills of K-3 students so that all students are reading at an
2 appropriate grade level prior to the start of the fourth grade. The
3 RPM shall be developed by the department in consultation with the RPM
4 advisory council as created by Executive Order 1998-4.

5 (2) In order to implement the RPM, the department shall do at least
6 all of the following:

7 (a) Develop a model summer reading program for students who will be
8 attending grades 1 through 4 in the following school year and who have
9 demonstrated the need for additional reading skills training, as
10 evidenced by standardized test results on tests approved by the
11 department for this purpose. The model reading program shall be in
12 conformance with the national education goals and shall also meet
13 criteria for DED-OESE, Title I program funding.

14 (b) Recommend diagnostic tools and student assessments to local
15 districts to determine reading readiness and ensure progress in reading
16 skills.

17 (c) Develop and disseminate reading readiness kits to parents of
18 students in preschool and kindergarten to provide parents with
19 information about how they can prepare their children for reading
20 success.

21 (d) Develop and make available a statewide resource guide of public
22 and private service providers to assist parents in improving their
23 children's reading skills.

24 (3) The funds appropriated in part 1 for the reading plan for
25 Michigan grants shall be allocated by the department on a competitive
26 grant basis to districts, intermediate districts, or consortia of
27 districts which meet the following criteria:

28 (a) The district must offer a summer reading program based upon the
29 model reading program developed by the department pursuant to
30 subsection (2) beginning after the close of the 1998-99 school year.

31 (b) The district must identify money from other sources available
32 to the district which will be used to support at least 50% of the total
33 costs of the summer reading program.

34 (4) Applications for funding must be submitted to the department no
35 later than December 31, 1999. The department shall notify recipients of

1 the grants no later than March 30, 2000.

2 (5) Not later than the 2002-2003 school year, a pupil shall not be
3 promoted to the next grade level at the end of the school year if the
4 pupil has not met the standards for pupil promotion adopted by the
5 local school district.

6 Sec. 805. From the funds appropriated in part 1 for national board
7 certification, the department shall pay 1/2 of the application fee for
8 teachers who are deemed by the department by March 1, 1998 to be
9 qualified to apply to the national board for professional teaching
10 standards for professional teaching certificates or licenses and to
11 provide grants to recognize and reward teachers who receive
12 certification or licensure.
