Sec. 3. By resolution, a local governmental unit may operate, or may contract with a nonprofit community organization to operate and administer, an urban homestead program that makes property available to qualified buyers to rent and purchase under this act. In the resolution, the local governmental unit shall designate whether the local governmental unit or the nonprofit community organization shall be the administrator under this act. In the resolution, the local governmental unit shall also provide an appeals process to applicants and qualified buyers who are adversely affected by a decision of the administrator.

Sec. 4. (1) An applicant that meets all the following criteria is eligible to rent and purchase property as a qualified buyer under this act:

(3) The administrator shall charge not more than 100% or less than 80% of the fair market rental value for the premises. The administrator has the authority to determine rent based on factors such as income, number of dependents, and condition of the property.

(4) The qualified buyer who is renting the property is responsible for all utilities and costs of improvements to the premises.

(5) If the qualified buyer is in substantial compliance with the terms of the lease for not less than 5 years and continues to meet the criteria in section 4(1)(a), (b), (c), (e), (f), and (g), and the premises substantially comply with all building and housing codes, the administrator shall deed or cause to be deeded that property to the qualified buyer for \$1.00.

Sec. 9. A qualified buyer eligible for and participating in the urban homestead program shall be allowed the opportunity to make up any late or delinquent rent due. The administrator shall notify the individual of the arrearage and determine a payment schedule to make up past due rent.
