The People of the State of Michigan enact:

Sec. 34. (1) Except as provided in section 34a, a prisoner sentenced to an indeterminate sentence and confined in a state correctional facility with a minimum in terms of years other than a prisoner subject to disciplinary time is subject to the jurisdiction of the parole board when the prisoner has served a period of time equal to the minimum sentence imposed by the court for the crime of which he or she was convicted, less good time and disciplinary credits, if applicable.

(2) Except as provided in section 34a, a prisoner subject to disciplinary time sentenced to an indeterminate sentence and confined in a state correctional facility with a minimum in terms of years is subject to the jurisdiction of the parole board when the prisoner has served a period of time equal to the minimum sentence imposed by the court for the crime of which he or she was convicted.

(3) If a prisoner other than a prisoner subject to disciplinary time is sentenced for consecutive terms, whether received at the same time or at any time during the life of the original sentence, the parole board has jurisdiction over the prisoner for purposes of parole when the prisoner has served the total time of the added minimum terms, less the good time and disciplinary credits allowed by statute. The maximum terms of the sentences shall be added to compute the new maximum term under this subsection, and discharge shall be issued only after the total of the maximum sentences has been served less good time and disciplinary credits, unless the prisoner is paroled and discharged upon satisfactory completion of the parole.

(4) If a prisoner subject to disciplinary time is sentenced for consecutive terms, whether received at the same time or at any time during the life of the original sentence, the parole board has jurisdiction over the prisoner for purposes

of parole when the prisoner has served the total time of the added minimum terms. The maximum terms of the sentences shall be added to compute the new maximum term under this subsection, and discharge shall be issued only after the total of the maximum sentences has been served, unless the prisoner is paroled and discharged upon satisfactory completion of the parole.

(5) If a prisoner other than a prisoner subject to disciplinary time has 1 or more consecutive terms remaining to serve in addition to the term he or she is serving, the parole board may terminate the sentence the prisoner is presently serving at any time after the minimum term of the sentence has been served.

(6) A prisoner under sentence for life, other than a prisoner sentenced for life for murder in the first degree, or sentenced for life for a violation of chapter XXXIII of the Michigan penal code, 1931 PA 328, MCL 750.200 to 750.212a, who has served 10 calendar years of the sentence in the case of a prisoner sentenced for any other crime committed before October 1, 1992, or, except as provided in subsection (10), who has served 20 calendar years of the sentence in the case of a prisoner sentenced to imprisonment for life for violating or conspiring to violate section 7401(2)(a)(i) of the public health code, 1978 PA 368, MCL 333.7401, who has another conviction for a serious crime, or, except as provided in subsection (10), who has served 17-1/2 calendar years of the sentence in the case of a prisoner sentenced to imprisonment for life for violating or conspiring to violate section 7401(2)(a)(i) of the public health code, 1978 PA 368, MCL 333.7401, who does not have another conviction for a serious crime, or who has served 15 calendar years of the sentence in the case of a prisoner sentenced for any other crime committed on or after October 1, 1992, is subject to the jurisdiction of the parole board and may be released on parole by the parole board, subject to the following conditions:

(a) At the conclusion of 10 calendar years of the prisoner's sentence and thereafter as determined by the parole board until the prisoner is paroled, discharged, or deceased, and in accordance with the procedures described in subsection (7), 1 member of the parole board shall interview the prisoner. The interview schedule prescribed in this subdivision applies to all prisoners to whom this subsection is applicable, regardless of the date on which they were sentenced.

(b) In addition to the interview schedule prescribed in subdivision (a), the parole board shall review the prisoner's file at the conclusion of 15 calendar years of the prisoner's sentence and every 5 years thereafter until the prisoner is paroled, discharged, or deceased. A prisoner whose file is to be reviewed under this subdivision shall be notified of the upcoming file review at least 30 days before the file review takes place and shall be allowed to submit written statements or documentary evidence for the parole board's consideration in conducting the file review.

(c) A decision to grant or deny parole to a prisoner so sentenced shall not be made until after a public hearing held in the manner prescribed for pardons and commutations in sections 44 and 45. Notice of the public hearing shall be given to the sentencing judge, or the judge's successor in office, and parole shall not be granted if the sentencing judge, or the judge's successor in office, files written objections to the granting of the parole within 30 days of receipt of the notice of hearing. The written objections shall be made part of the prisoner's file.

(d) A parole granted under this subsection shall be for a period of not less than 4 years and subject to the usual rules pertaining to paroles granted by the parole board. A parole ordered under this subsection is not valid until the transcript of the record is filed with the attorney general whose certification of receipt of the transcript shall be returnable to the office of the parole board within 5 days. Except for medical records protected under section 2157 of the revised judiciary act of 1961, 1961 PA 236, MCL 600.2157, the file of a prisoner granted a parole under this subsection is a public record.

(e) A parole shall not be granted under this subsection in the case of a prisoner who is otherwise prohibited by law from parole consideration. In such cases the interview procedures in section 44 shall be followed.

(7) An interview conducted under subsection (6)(a) is subject to both of the following requirements:

(a) The prisoner shall be given written notice, not less than 30 days before the interview date, stating that the interview will be conducted.

(b) The prisoner may be represented at the interview by an individual of his or her choice. The representative shall not be another prisoner. A prisoner is not entitled to appointed counsel at public expense. The prisoner or representative may present relevant evidence in favor of holding a public hearing as described in subsection (6)(b).

(8) In determining whether a prisoner convicted of violating or conspiring to violate section 7401(2)(a)(i) of the public health code, 1978 PA 368, MCL 333.7401, and sentenced to imprisonment for life before October 1, 1998 is to be released on parole, the parole board shall consider all of the following:

(a) Whether the violation was part of a continuing series of violations of section 7401 or 7403 of the public health code, 1978 PA 368, MCL 333.7401 and 333.7403, by that individual.

(b) Whether the violation was committed by the individual in concert with 5 or more other individuals.

(c) Any of the following:

(i) Whether the individual was a principal administrator, organizer, or leader of an entity that the individual knew or had reason to know was organized, in whole or in part, to commit violations of section 7401 or 7403 of the public

health code, 1978 PA 368, MCL 333.7401 and 333.7403, and whether the violation for which the individual was convicted was committed to further the interests of that entity.

(ii) Whether the individual was a principal administrator, organizer, or leader of an entity that the individual knew or had reason to know committed violations of section 7401 or 7403 of the public health code, 1978 PA 368, MCL 333.7401 and 333.7403, and whether the violation for which the individual was convicted was committed to further the interests of that entity.

(iii) Whether the violation was committed in a drug-free school zone.

(iv) Whether the violation involved the delivery of a controlled substance to an individual less than 17 years of age or possession with intent to deliver a controlled substance to an individual less than 17 years of age.

(9) Except as provided in section 34a, a prisoner's release on parole is discretionary with the parole board. The action of the parole board in granting a parole is appealable by the prosecutor of the county from which the prisoner was committed or the victim of the crime for which the prisoner was convicted. The appeal shall be to the circuit court in the county from which the prisoner was committed, by leave of the court.

(10) If the sentencing judge, or his or her successor in office, determines on the record that a prisoner described in subsection (6) sentenced to imprisonment for life for violating or conspiring to violate section 7401(2)(a)(i) of the public health code, 1978 PA 368, MCL 333.7401, has cooperated with law enforcement, the prisoner is subject to the jurisdiction of the parole board and may be released on parole as provided in subsection (6), 2-1/2 years earlier than the time otherwise indicated in subsection (6). The prisoner is considered to have cooperated with law enforcement if the court determines on the record that the prisoner had no relevant or useful information to provide. The court shall not make a determination that the prisoner failed or refused to cooperate with law enforcement on grounds that the defendant exercised his or her constitutional right to trial by jury. If the court determines at sentencing that the defendant cooperated with law enforcement, the court shall include its determination in the judgment of sentence.

(d) If an application or initiation for commutation is based on physical or mental incapacity, direct the bureau of health care services to evaluate the condition of the prisoner and report on that condition. If the bureau of health care services determines that the prisoner is physically or mentally incapacitated, the bureau shall appoint a specialist in the appropriate field of medicine, who is not employed by the department, to evaluate the condition of the prisoner and to

report on that condition. These reports are protected by the doctor-patient privilege of confidentiality, except that these reports shall be provided to the governor for his or her review.
