The People of the State of Michigan enact:

Sec. 11b. (1) Within 24 hours after receiving a report made or information obtained pursuant to section 11a, the county family independence agency shall commence an investigation to determine whether the person suspected of being or believed to be abused, neglected, or exploited is an adult in need of protective services. A reasonable belief on the part of the county department that the person is an adult in need of protective services is a sufficient basis for investigation. If an investigation pertains to an adult residing in an adult foster care facility licensed by the Michigan family independence agency, the county department shall provide the adult foster care licensee with the substance of the abuse or neglect allegations as soon as practicable after the beginning of the investigation. The licensee shall have the opportunity to respond to the allegations, and the response shall be included in the record.

(2) Upon a request by the county department, local law enforcement officers shall cooperate with the county department in an investigation of suspected abuse, neglect, or exploitation. However, the investigation required by this section shall not be in place of an investigation by the appropriate police agency regarding suspected criminal conduct arising from the suspected abuse, neglect, or exploitation.

(3) The investigation shall include a determination of the nature, extent, and cause of the abuse, neglect, or exploitation; examination of evidence; identification, if possible, of the person responsible for the abuse, neglect, or exploitation; the names and conditions of other adults in the place of residence; an evaluation of the persons responsible for the care of the adult, if appropriate; the environment of the residence; the relationship of the adult to the person responsible for the adult's care; an evaluation as to whether or not the adult would consent to receiving protective services; and other pertinent data.

(4) The investigation shall include an interview with the adult. The county department shall conduct the interview by means of a personal visit with the adult in the adult's dwelling or in the office of the county department, by telephone conversation, or by other means that may be available to the county department. In attempting to conduct a personal

visit with the adult in the adult's dwelling, if admission to the dwelling is denied, the county department may seek to obtain a search warrant as provided in 1966 PA 189, MCL 780.651 to 780.659.

(5) The investigation may include a medical, psychological, social, vocational, and educational evaluation and review.

(6) In the course of an investigation, the county department shall determine if the adult is or was abused, neglected, or exploited. The county department shall make available to the adult the appropriate and least restrictive protective services, directly or through the purchase of services from other agencies and professions, and shall take necessary action to safeguard and enhance the welfare of the adult, if possible. The county department also shall collaborate with law enforcement officers, courts of competent jurisdiction, and appropriate state and community agencies providing human services, which services are provided in relation to preventing, identifying, and treating adult abuse, neglect, or exploitation. If the abuse, neglect, or exploitation involves substance abuse, the county department shall collaborate with the local substance abuse coordinating agency as designated by the office of substance abuse services in the department of community health for a referral for substance abuse services. The county department may petition for a finding of incapacity and appointment of a guardian or temporary guardian as provided in section 5303 or 5312 of the estates and protected individuals code, 1998 PA 386, MCL 700.5303 and 700.5312, and may petition for the appointment of a conservator as provided in section 5401 of the estates and protected individuals code, 1998 PA 386, MCL 700.5401, for a vulnerable adult.

(7) Upon completion of an investigation, the county department shall prepare a written report of the investigation and its findings. A copy of this written report shall be forwarded to the state department upon the request of the state department.

(8) The county department may provide a copy of the written report to the prosecuting attorney for the county in which the adult suspected of being or believed to be abused, neglected, or exploited resides or is found.

Sec. 115j. (1) An adoption subsidy shall continue until 1 of the following occurs:

- (a) The adoptee becomes 18 years of age.
- (b) The adoptee is emancipated.
- (c) The adoptee dies.
- (d) The adoption is terminated.
- (e) A determination of ineligibility is made by the department.

(2) If sufficient funds are appropriated, the department may continue an adoption subsidy for an adoptee under 21 years of age if the department determines that the adoptee is a student regularly attending a high school, college, university, or vocational school in pursuance of a course of study leading to a high school diploma, college degree, or gainful employment.

(3) An adoption subsidy shall continue even if the adoptive parent or parents leave the state.

(4) An adoption support subsidy shall continue during a period in which the adoptee is removed from his or her home as a temporary court ward.

(5) Upon the death of the adoptive parent, the department shall continue making adoption subsidy payments to the guardian of the adoptee if a guardian is appointed as provided in section 5202 or 5204 of the estates and protected individuals code, 1998 PA 386, MCL 700.5202 and 700.5204.

Enacting section 1. This amendatory act takes effect April 1, 2000.

This act is ordered to take immediate effect.
