AN ACT to amend 1976 PA 451, entitled "An act to provide a system of public instruction and elementary and secondary schools; to revise, consolidate, and clarify the laws relating to elementary and secondary education; to provide for the organization, regulation, and maintenance of schools, school districts, public school academies, and intermediate school districts; to prescribe rights, powers, duties, and privileges of schools, school districts, public school academies, and intermediate school districts; to provide for the regulation of school teachers and certain other school employees; to provide for school elections and to prescribe powers and duties with respect thereto; to provide for the levy and collection of taxes; to provide for the borrowing of money and issuance of bonds and other evidences of indebtedness; to establish a fund and provide for expenditures from that fund; to provide for and prescribe the powers and duties of certain state departments, the state board of education, and certain other boards and officials; to provide for licensure of boarding schools; to prescribe penalties; and to repeal acts and parts of acts," (MCL 380.1 to 380.1852) by adding section 1306.

The People of the State of Michigan enact:

Sec. 1306. (1) A pupil who uses a locker that is the property of a school district, local act school district, intermediate school district, or public school academy is presumed to have no expectation of privacy in that locker or that locker's contents.

(2) If the board of a school district, local act school district, or intermediate school district or board of directors of a public school academy operates a school that has pupil lockers, then not later than 180 days after the effective date of this section the board or board of directors shall adopt a policy on searches of pupils' lockers and locker contents. This policy shall provide that, in the course of a search conducted pursuant to the policy, the privacy rights of the pupil shall be respected regarding any items that are not illegal or against school policy. The board or board of directors shall provide a copy of this policy to each pupil at a school that has lockers and to the parent or legal guardian of each of those pupils. The board or board of directors shall also provide a copy of the policy to the department upon request by the department.

(3) A public school principal or his or her designee may search a pupil's locker and the locker's contents at any time in accordance with the policy under subsection (2).

(4) A law enforcement agency having jurisdiction over the school may assist school personnel in conducting a search of a pupil's locker and the locker's contents if that assistance is at the request of the school principal or his or her designee and the search is conducted in accordance with the policy under subsection (2).

(5) Not later than 90 days after the effective date of this section, the superintendent of public instruction shall develop and make available a model policy on searches of pupils' lockers and locker contents that may be adopted for the purposes of this section.

(6) Any evidence obtained as a result of a search of a pupil's locker or locker's contents shall not be inadmissible in any court or administrative proceedings because the search violated this section, violated the policy under subsection (2), or because no policy was adopted.

This act is ordered to take immediate effect.
