(e) “Discounted present value” means, with respect to a proposed transfer of structured settlement payment rights, the fair value of future payments, as determined by discounting the payments to the present using the most recently published applicable federal rate for determining the present value of an annuity issued by the United States internal revenue service.

(f) "Independent professional advice" means advice of an attorney, certified public accountant, or other professional who meets all of the following concerning a transfer of a structured settlement payment right:

(h) "Protected party" means, with respect to a structured settlement, the payee, a dependent of the payee, a beneficiary designated to receive payments following the payee's death, an annuity issuer, a structured settlement obligor, and any other party entitled to invoke the benefit of a contractual assignment restriction applicable to the structured settlement, whether as a party to or third party beneficiary of the annuity contract, the structured settlement agreement, the qualified assignment agreement, or the court order, administrative order, or other document in which the contractual assignment restriction appears.
