The intent of HB 4411 (H-1) is to replicate HB 4480 (H-2) and to expand the eligibility of the home heating credit to 130% of poverty beginning in 2002. Technical changes will be needed to conform to the intent of the bill. The fiscal impact, for FY 2002-03, with no proration of the home heating credits, would be an estimated \$105.0 million.
